Finiatelphis; sheldon & Co., New York; Brown and Taggard, Boston.

From the Independent Press.

To all who have read his elegant productions of prose and poetry, it is enough to warrant its success to know that it comes from the pen of Willie Ware.

From the New York Dispatch.

Driftwood on the Sea of Life.—Under the above title, one of our most favored contributors is about to publish a volume that cannot fail to be agreeable, to not only our readers, who are familiar with the semi-piquant, semi-philosophical style of working out his ideas, but the reading public at large. Willie Ware is a young but powerful and dashing writer—one who is destined to make his mark on the literature of the age, and should, therefore, in his early efforts, (which, by the way, are far from being crude, in either thought or word, be encouraged.

From the Valley Star.

Get in.—Willie Ware announces in our advertising columns that his new book will shortly appear. We hope many of our readers will secure this work, as it will be a valuable addition to every library. Send your name to the publisher at once, and when the book is published send the money and get it.

From the Henderson (Ey.) Mail.

We can assure our readers that the forthcoming volume will be "a feast of good things" for the intellectual appetits. Its very name is highly poetical.

TO THE PEOPLE OF THE UNITED STATES.

In the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and bracothe system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who may use them. For

INCIPIENT CONSUMPTION,

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book Keepers, Tailors, Seannitresses, Studenta, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the tasts. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wi-h to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chilis and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially ald in banishing Drunkenness and Disease.

IN ALL AFFECTIONS OF THE HEAD, SICK HEAD—ACHE, OR NERVOUS HEADACHE, DR. DODS' IM—PERIAL WINE BITTERS WILL BE FOUND TO BE MOST SALUTARY AND EFFICACIOUS.

The many certineates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BUVEE DODS' IMPERIAL WINE BITTERS use them win to thit he seep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not bolieve that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOYEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poissonous missma is created, these bitters should be used every morning before breakfast.

DR. J. BOYEE DODS' IMPERIAL WINE BITTERS are composed of a pure and unadulterated Wine, combined with Reinberg Sciences and an adulterated Wine, combined and adulterated Wine and adultera

DR. J. They are manulactured by Dr. Bods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a PURCH ASE ONE BOTTLE!

Sometimes it burst out in theers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago if broke out on my head and covered my scalp and cars with one sore, which was painful and loathsome beyond description. I tried many medicines and several physiciaus, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be goed. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small dozes of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the sech, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostes of the age, and remain ever gratefully.

Dr. J. C. AYER: Sir, I cheerfully comply with the reducest of your agent, and report to you some of the effects have realized with your Suraparilla.

I have curred with it, in my plactice, most of the complaints for which it is recentanched, and have found its effects truly wonderful in the cure of Veneral and Mercurial Disease. One of my patients had Syphilitic alcers in his throat, which were consuming his palate and the care of kin worth. curiol Discoss. One of my patients had Spphilite ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sursaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder hy mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, to, was cured entirely by your sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these tuly remarkable results with it have not surprised me.

SCALE GRAND AND SQUARE PIANO-FORTES.
The Insulated Iron Frame preserves the original tone of the instrument in all its purity, securing it for all time against that most disagreeable tinny quality of tone invariably found in all other Iron Frame Piano-Fortes. It greatly strengthens the case and thus keeps the Piano-Forte much longer in tune. It gives the instrument a much fuller, richer and sweeter tone. It adapts the Piano to all climates and to all changes of atmosphere, and in all respects it is pronounced by our "artiste" the greatest improvement of the age in Piano-Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.
