SOMETHING FOR THE TIMES:: TO THE PEOPLE OF THE UNITED STATES. In the mouth of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for disease of the body must invariably affect the mind. The subscribers now only sak a trial of DB. J. BOVEE DODS'

These Bitters for the cure of Weak Stomachs, General Debillity, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalising the circulation, removing obstructions, and producing a fine tone and healthy action to all its parts, by equalising the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action. THESE RITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who may use them. For INCIPIENT CONSUMPTION,

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOYEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J.
