from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Partifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. The same of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by squalising the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is rejured to strengthen and brace the system. No Lady, who is subject to lessitude and faintness, should be without them, as they are revivifying in their action. THERE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who may use them. For

DODS CRLEBRATED WINE BITTERS ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Geopel, Lawyers, and all public speakers—for Book Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the tasts. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addited to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chilles and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. A woman in the land should be without them, and those who once in the land should be without them, and those who once use them will not fall to keep a supply.

DR. J. BOYRE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty five years.
