Secure in the knowledge that in his own State (Illinois) the honest arms of white labor will not be paralyzed by the degrading com petition which the emancipation of the negroes would inflict on her laboring white men-her laws denying the negro " freedom " to breathe the air of Heaven within her borders-the inconsistent fanatic is willing to help the tide of black competition roll over and engulph the white laboring men of New York and Pennsylvania, neither of which States have such laws. (Ill.) Transcript says: Governor Yates has paid a rather unusual but well-merited compliment to Mrs. Reynolds, wife of Lieut Reynolds, of Company A, Seventeenth Illinois, and a resident of this city. Mrs. Reynolds has accompanied her husband through the greater part of the campaign through which the Seventeenth has passed, sharing with him the dangers and privations of a soldier's life. She was present at the battle of Pittsburg Landing, and, like a Plice ministering angel, attended to the wants of as many of the wounded and dying soldiers as could, thus winning the gratitude and esteem of the brave fellows by whom she was surrounded. Governor Yates, hearing of her heroic and praiseworthy conduct, presented her with a commission as Major in the army the document conferring the well-merited honor, being made out with all due formality, and having attached the great seal of the State. Probably no lady in America will ever again have such a distinguished military honor conferred upon her. Mrs. Revnolds is now in this city, and leaves to join her regiment in a day or two.

Dr. Aven: Your 'Fills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous serves upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and plumples on her skin and in her hair. After our child was cured, site slate tried your Fills, and they have cured her.

ASA MORGEIGE.

From Dr. E. W. Cartwright, New Orleans. Your Fills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very cortain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment. Headache,SickHeadache.Foul Stomach Dan Bro. Arin: I cannot answer you what complaints
I have cared with your Pila better than to say all that we ever treat with a purpative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pila effort us the best we have, I of course value them highly.

As a Family Physic,

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a does or two of your Pills. It seems to arise from a foul stomach, which they cleanes at once.

Yours with great respect,

Billious Discordance. Bilious Disorders-Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely ejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
WEADINGTON, D. C., TH Feb., 1856.

Size: I have used your Pills in my general and hospital practice ever since you made them, and cannot healtate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilans discuss so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital. Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Ohicago.

Your Pills have had a long trial in my practice, and 1 hold them in esteem as one of the best aperious I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhosa. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood. Dyspepsia, Impurity of Advent Church, Boston.
Dr. Ayen: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Propsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too snuch cannot be said of your Fills for the cure of cotiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe conficuencies to originate in the liver, but your Fills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two farge doses of your Pills, taken at the proper time, are excellent promotives of the natural secretar when wholly or partfully suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

Hookerb Sir. I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A coll sattled in my limbs and brought on excreciating naturalgic pains, which ended in chronic rhemosterm. Notwithstanding I had the best of physicians. the disease grew worse and worse, until by the advice of your excellent agent in Baltimora, Dr. Mackensie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
