At once every effort was made to stop the train, and finding the force too great to stop the train in time to save the life of the child, the fireman jumped down upon the cow catcher, and placing his foot in a position to catch the child, threw it off the track a distance of some fifteen feet. The train was stoned, when it caton the child, threw is on the track a distance of some filteen feet. The train was stopped, when it was found that the only injury received by the child was the fracture of the skin on its head. Mr. Atkin-son, the conductor, placed the child in good hands and the train passed on.—*Trenton American*, 16th.

This is a renedy so universally known to surpass any other for the curo of threat and lung complaints, that it is uscless here to publish the evidence of its virtues. Its univalled excellence for coughs and colds, and its truly wonderful cures of pulmonny disease, have made its hnown throughout the civilized nations of the earth.

known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects — some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the vir-tues that it did have when making the cures which have won so strongly upon the confidence of mankind.

COMPOUND EXTRACT OF

OUBEBS AND COPAIBA

This preparation is particularly recommended to the MEDICAL PROFESSION and the PUBLIG, as combining, in the most convenient and efficacions form, the well-established virtues and properties of Onbebs and Oogalbs. For the speedy and efficient relief and cure of all BEXUAL DIERASES, it may justly be considered one of the greatest and most valuable discoveries in thes aunals of medicines, frequently effecting a cure in three or four days. In lis preparation as an extract or a puste, the usual namesons taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater, con-centration, the done is much reddeed. It may be relied on as the bear mode for the administration of these remedies in the large class of diseases of both server to which they are applicable. N. E.—Purchasers are advised to ask for TABRANTS COMPOUND EXTRAOF OF OUNBES AND COPAIDA; and to take nothing else—as imitations and worthless proparations, under similar names, are in the market. DEMOCRATIC TRIUMPH IN UNION-TOWN, PA.

Learning that the Republicans were prepar ing their forces for a party contest at the elecfor Borough officers in this place on Mouday last, the Democrats nominated a "Regular Democratic ticket, pledged to oppose Abolition ism in every shape and form, and to sustain and support the Union as it was, and the Constitution as it is." The vote was large, and the contest a warm one, and the noble Democrats of Uniontown send greeting to their brethren throughout the County, and elsewhere, as words of comfort and consolation, that this old stronghold of Republicanism has, after a fair f strength, yielded to the Democracy. For many years pass, the parties opposed to the Democracy have had the control of this Brough. The people here followed the Whige, by Nothings and Republicans from year to year, but they can not, will not stand Aboli nism. - Uniontown Democrat.

FORNEY, who is about as black a Republican as we know of, writes from Washington to his paper in Philadelphia : " If by some inexorable command, which could not safely be resisted, certain of our public teachers were directed to turn their faces instead of their backs upon their records, and forced to re-read and re-digest these records, we should have some most pitcous and pitiable protestations."
