NATIONAL TORSE AND VINE BITTERS ARE UN-SURPARSED!

Tore Bore Threat, so common smong the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gogod, Lawyers, and all public speakers—for Book Respers, Tailors, Seamstresses, Bisadents, Artists, and all persons leading a secentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the tasts. They produce all the arthibarating affects of Brankly or Wine, without intolerating; and are a valuable remedy for persons addicted to the use of axcessive strong drink, and who with to refrain from it. They are pure and entirely free from the poisons contained in the addictrated Wines and Liquors with which the country is flooded.

Those Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the wafer is bad, or where Chills and Feters are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infinite with impunity.

Physicians, Clerymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In Alla APPECTIONS OF THE HEAD. SHIK HEAD—AOHE, OR NERVOUS HEADACHE, DR. DODS IM—PERIAL WINE EFFICES WILL BR. FOUND TO BE MOST SALUTARY AND EFFICACIOUS. For Sore Throat, so common smong the Clergy, they are

PRMALES. The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them; and those who once in the land should be without them; and those who once use them will not fail to keep a supply.

DR. J. BOYER DODS' IMPERIAL WINE RITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Boyes Dods' Celeprated Imperial Wine Bliters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOYEE DODS' IMPERIAL WINE BITTERS.

not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a polsonous miasma is created, these bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are composed of a pure and unadulerated Wine, combined with Barberry, Science is Seal, Comfrey, Wild Cherry Tree Bark, Epikenard, Chamomile Blowers and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence, should not be classed among the quask nestrums which flood the country, and against which the Medical Profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a TONIC, MEDICINE AND A BEYERAGE.

COMPOUND EXTRACT OF CUBEBS AND COPAIBA.

This preparation is particularly recommended to the MEDIOAL PROFESSION and the PUBLIC, as combining, in the most convenient and efficacions form, the well-stabilished virtues and properties of Cubebs and Copalba. For the speedy and effectual relief and cure of all BEXUAL DISEASES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater concentration, the dose is much reduced. It may be relied on as the best mode for the administration of these remedies in the large class of diseases of both sexes to which they are applicable.

N. B.—Purchasers are advised to sak for TARRANTS COMPOUND EXTRAOT OF CUBEBS AND COPAIBA, and to take nothing else—as imitations and worthless preparations, under similar names, are in the market.
