Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed. DYSMENORRHOBA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the men-strend fluid—in the one case being too little, and accom-panied by severe pair; and the other a too profuse secre-tion, which will be speedily cured by the Constitution ater.
That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ and is known by a sense of heaviness and dragging pain in the back and sides, and at times accompanied by sharp lacinating or should have a strong paint of the cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervous-ness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Oold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heaf, Languor, Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION

Which in the unmarried female is a constant recurring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradualty loss her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.

This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and evening.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. The dose in all cases may be increased if desired, but should be done gradually. Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Failing of the Womb, Dysmenorrhes, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first does seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to easy that it has produced a permanent cure.

Dear Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which resisted all remedies and doctors, intil I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see fit in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG. MILFORD, CONN., NOV. 19, 1861. THESE ARE FACTS ENOUGH.

TARRANT, S COMPOUND EXTRACT OF CUBEBS AND COPAIBA.

This preparation is particularly recommended to the MEDICAL PROFESSION and the PUBLIC, as combining, in the most convenient and efficacious form, the well-established virtues and properties of Cubebs and Copaiba. For the speedy and effectual relief and cure of all SEXUAL DISEASES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater concentration, the dose is much reduced. It may be relied on as the best mode for the administration of these remedies in the large class of diseases of both sexes to which they are applicable.

N. B.—Purchasers are advised to ask for TARRANT'S COMPOUND EXTRACT OF CUBEBS AND COPAIBA, and to take nothing else—as imitations and worthless preparations, under similar names, are in the market.
