I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. GERGA & Co.: Gents: I freely give you liberty to make use of the fol-lowing Cartificate of the value of Constitution Water, which I can recommend in the highest manner. My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Papita-tion of the Heart, attended with Falling of the Womb, Dysameorrhae, and Irritation of the Bladder. I called a physician, you obtended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended ber about in ne months, and while she was under his care she did not suffer quite as much pain in the finality gave her up and said, "her case was incurable." For, said he, " she has such a combination of complaints, that melicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and he kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitu-tion Water for about four weeks, and we are happy to asy that it has produced a permanent care. WML M. VAN BENSCHOTEN. For the speedy and effectual relief and cure of all SEXUAL DISEARES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater on-contration, the does is much reduced.
