There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nerrouness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Papitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision. DANVILLE, Pa., June 2, 1862. Dr. Wm. H. Gregg-Dear Sir: In February, 1861, I wa afflicted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelves times during the night, and in five months I lost about fity pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. WM. H. Greeg & Co.:
Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner. My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrhe, and Irritation of the Bladder. I cailed a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not nifer quite as much pain; he finally gave her up and sald, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

WM. M. VAN BENSCHOTEN. iomestic affairs. Due weeks, and we are that it has produced a permanent cure.

WM. M. VAN BENSCHOTEN.

Milford, Conn., Nov. 18, 1002.

Dr. Wat. H. Gregg:

Dear Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which refisted all remedies and dectors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see fit in regard to the medicine, as I have entire confidence in its efficacy. Yours truly, POND STRONG. MILFORD, CONN., Nov. 19, 1861. THESE ARE FACTS ENOUGH.

There is no class of diseases that produces such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidneys, Biadder and Urinary Passaçes, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

CONSTITUTION WATER to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

TARRANT'S COMPOUND EXTRACT OF OUBEBS AND COPAIBA.

This preparation is particularly recommended to the MEDICAL PROFESSION and the PUBLIC, as combining, in the most convenient and efficacions form, the well-established virtues and properties of Oubebs and Copaiba. For the speedy and effectual relief and cure of all SEXUAL DISEASES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater concentration, the dose is much reduced. It may be relied on as the best mode for the administration of these remedies in the large class of diseases of both sexes to which they are applicable.

TO THE PEOPLE OF THE UNITED STATES.

In the month of Decamber, 1888, the understand for the first time offered for sale to the public Pr. J. Bovee Dodd Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs; General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and hvigorate the whole system and give a fine tone and healthy action to all its parts, by equaling the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness pecular to Fémiales, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

THERE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who may use them. For IMPROVED GUTTA PERCHA CEMENT ROOKING THE COST IS ONLY ABOUT ONE-THIRD THAT OF TIN, AND IT IS TWICE AS DURABLE.

This article has been thoroughly tested in New York city and all parts of the United States, Canada, West Indies and Central and South America, on buildings of all kinds, such as Factories, Foundries, Churches, Railroad Beptot, Cars, and on Public Buildings generally, Government Buildings, &c., by the principal Builders, Architects and others, during the past four years, and has proved to be the Chespest and most durable Roofing in use; it is in every respect a Fire, Water, Weather and Time Proof covering for Roofs of all kinds.

This is the only material manufactured in the United States which combines the very desirable properties of Elasticity and Durability, which are universally acknowledged to be possessed by Gutta Percha and India Rubber. may use them. For INCIPIENT CONSUMPTION,

For Sore Throat, so common among the Clergy, they are truly valuable.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilitrating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink; and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Curs, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are, prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

IN ALL AFFECTIONS OF THE HEAD, SICK HEAD—ACHE, OR NERVOUS HEADACHE, DR. DODS' IMPERIAL WINE BITTERS WILL BE FOUND TO BE MOST SALUTARY AND EFFICACIOUS. For Coating Metals of all Kinds when exposed to the Action of the Weather, and FOR PRESERVING AND REPAIRING METAL ROOFS OF ALL KINDS. This is the only Composition known which will successfully resist extreme changes of all climates, for any length of time, when applied to metals, to which it adheres firmly, forming a body equal to three coats of ordinary paint, costs much less, and will last three times as long; and from its elasticity is not injured by the contraction and expansion of Tin and other Metal Roofs, consequent upon andden Abancas of the weather. adden changes of the weather.

Leaky Tin and other Metal Roofs can be readily repaired

This Cement is peculiarly adapted for the preservation of
Iron Railings, Stoves, Ranges, Safes, Agricultural Implements, &c., also for general manufacturers' use. The many certificates which have been tendered us, and the letters which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVER DODE: IMPERIAL-WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years.
