CORSTITUTION WATER

THE GREAT BRMEDY FOR THE CONSTITUTION AND THE ONLY KNOWN REMEDY 202 DIABETES AND DESTANTS OF THE

KIDNEYSSAND BLADDER.

These Dangerous and Troublesome Diseases, which he thus far Escisted the best directed Treatment, can be Completely Controlled by the REMEDY now before us!

THE CURATIVE properties of the medicine direct themselves to the organ of secretion, and by so altering the condition of the stomach until liver that the staroby principle of the food is not one rested into augar so long as the system is under the infin-CONSTITUTION WATER,

which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has STONE IN THE BLADDER, CALCULUS, GRAVEL BRICK DUST DEP-SIT. AND MUCOUS OR MILEY ISCHARGES AFFER URINATING.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the sereity of the disease, from twenty drope to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed.

DYSMENORRHOEA. OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the men struct fluid—in the one case being too little, and accom panied by severe pain; and the other a too profuse secretion, which will be speedily cured by the Constitution Water. That disease known as FALLING OF THE WOME, which That disease shown as FALLING OF THE WOME, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOME, which physicians call Nerbusness, which work covers up much becomes and in alrease. ness, which word covers up much ignorance, and in ulne cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms We can only enumerate them here. I speak more particularly of C ld Feet, Palpitation of the Heart, Impaired Memore, Waketuluess, Plashes of Heat, Languor, Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION, Which in the unmarried female is a constant recurri which in the unmarried lemain is a containt recurring disease, and through neglect the seeds of more grave and dangerous metadles are the result; and as month after month passes without an effort being mude to assist nature, the suppression becomes chronic, the patient gradu sily loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.

LEUCORRHUBA OR WHITES. This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, acrost the bowels and through the hips. A tearpoorful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, muxed with a half-pint of soft water, morning and evening.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDVEYS, AND
OATARRH OF THE ! LADDER, TEANGURY AND BURNING, OR PAINFUL U INATING.

For these diseases it is truly a sovereign remedy, and to much cannot be said in its praise. A single dise has been known to relieve the most argent symptoms. Are you troubled with that distressing pain in the small of the back and through the hips? A tea-poonful a day of Constitution Water will relieve you like magic. FOR DYSPEPSIA. it has no equal in relieving the most distressing symptoms Also, Head-obs. Hearthurn, Add Stomach. Vomiting Food, &c. Take a traspoonful after dinner. The does in all cases may be increased if desired, but should be done

PHYSICIANS have long since given up the use of buchu, cubebs, and juniper in the treatment of these diseases, and only use them for want of a better remedy.

CONSTITUTION WATER has proved itself equal to the task that has devolve

DIURETICS irritate and drench the kidneys and by constant use soo lead to chronic degeneration and confirmed disease. READ! READ!! READ!!!

DANVILLE, Pa., June 2, 1862.

Dr. WM H. Gerog.—Dear Sir: In February, 1861, I was efflicted with the sugar disabetes, and for five months I pussed me than two gallons of water in twe nty-four burs. I was obliged to get up as often as ten or twelve thus during the night and in five months. I times during the night, and in five months I lost about fity pounds in weight. During the month of July, 1861. I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was suitierly cured, soon after regaining my usual good health. Yours truly,

who bettles I was entirely cured, soon after regaining my usual good health. Yours truly, J V L. DE WITT.

BOSTON CORNERS, N. Y., Dec. 27, 1861.

WM H. GRIGG & Co:

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was atta ked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrhan, and irritation of the Bladder. I called a thistician, who attended her about three months, when he left her worse than he found fer. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not niffer quite as much pair; he finally gave her up and said. Ther case was incurable." For, said he, "also has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to ur utter astonishment almost the first dose seemed to have the devisted effect, and she kept on Improving rapidly under its treatment, and now superinrends entirely be domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

WM. M. VAN BENSCHOTEN.

Da. Wm. H. Greed:

Dar Nir: I have for soveral years, been afflicted with that troublesome and dangerous drease—Gravel—which resisted all rem dies and doctors, until I took Constitution Water, and you may be as-ured that I was exceedingly pleased with the result. It has entirely cured me and you may make any use of my name, you may see fit in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG. MILFORD, CONN., Nov. 19, 1861.

There is no class of diseases that produces such exhausting effects up-n the hum-n constitution as Disbetes and Diseases of the Ki-heys. Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the CONSTITUTION WATER

to the public with the conviction that it has no equal in relieving the clare of diseases for which it has been found so eminently soccessful in curiog; and we trust that we shall be rewarded for our eff rts in placing so variable a remedy in a form to meet the requirements of patient and physician.
