STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY PISCHARGES AFTER URINATING.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The dose should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed. Water, as above directed.

DYSMENORRHŒA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the men strual fluid—in the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be speedily cured by the Constitution Water. That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervonsess, which word covers up much ignorance, and in nine cases out of ten the dector does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision. That disease known as FALLING OF THE WOMB, which

LEUCORRHŒA OR WHITES.

This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water,

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most treent symptoms. Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of Constitution Water will relieve you like magic.

it has no equal in relieving the most distressing symptoms Also, Headache, Heartburn, Acid Stomach, Vomiting Food &c. Take a teaspoonful after dinner. The dose in al cases may be increased if desired, but should be don gradually. PHYSICIANS

have long since given up the use of buchu, cubebs, and juniper in the treatment of these diseases, and only use of a better remedy. CONSTITUTION WATER

has proved itself equal to the task that has devolved upon it. DIURETICS irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

DR. WM. H. GREGG:

Dear Sir: I have for several years, been afflicted with

resisted all rem. dies and doctors, until I took Constitution
Water, and you may be assured that I was exceedingly
pleased with the result. It has entirely cured me, and you

THESE ARE FACTS ENOUGH.

There is no class of diseases that produces such exhaust-ing effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

CONSTITUTION WATER to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

others made in this country or Europe.

TO THE PEOPLE OF THE UNITED STATES.

In the month of December, 1888, the undersigned for the first time offered for sale to the public Pr. J. Bovee Dody Imperial Wine Bitters, and lu this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misory arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most triling bodily allment should be had: for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

to produce their equal.

These Bitters for the cure of Weak Stomachs, General
Debility, and for Purifying and Enriching the Blood, are
absolutely unsurpassed by any other remedy on earth. To
be assured of this, it is only necessary to make the trial.

The Wine itself is of a vory superior quality, being about
one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As
these Bitters are tonic and alterative in their character, so
they strengthen and invigorate the whole system and give
a flut tone and healthy action to all its parts, by equaliz
ing the circulation, removing obstructions, and producing
a general warmth. They are also excellent for Diseases
and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who
is subject to lassitude and faintness, should be without
them, as they are revivifying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE,
and in this respect are doubly valuable to the person who
may use them. For
Weak Lungs, Indigestion, Dysepsia, Diseases of the

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are vucl-some, innocent, and delicious to the taste. They produce all the exhiliarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for re-rsons addicted to the use of excessive strong drink, and who wi-h to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is fisoded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Ritters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

IN ALL AFFECTIONS OF THE HEAD, SICK HEAD—ACHE, OR NERVOUS HEADACHE, DR. DODS' IMPERIAL WINE BITTE... WILL BE FOUND TO BE MOST SALUTARY AND EFFICACIOUS.
