There is another class of symptoms arising from IRRI-TATION OF THE WOMB, which physicians call Nerroms-nezs, which word corers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more par-ticularly of O:ld Feet, Palpitation of the Heart, Implified Memory, Wakefulness, Flashes of Heat, Languota tude, and Dinness of Vision.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most argent symptoms. HOUZEKEEPERS -- troubled with vermin need be so no longer, if they use "Costars" Exterminators. We have used it to waitifaction, and if a box cost \$5 we would have it. We had tried poisons, but they effected nothing; but "Costars" article knocks the breath out of Rats, Mice, Roaches, and Bed Bugs quicker than we can write it. PERIAL WINE BITTELS WILL BE FOUND TO BE MOST SALUTARY AND EFFICACIOUS. F E M A L E S The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply. DR. J. BOYEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Borvee Dods' Calebrated Imperial Wine Bitters, had them tested by two distin-guished medical practitioners, who pronounced them a valu-able remedy for disease. Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOYEE DODS' IMPERIAL WINE BITTERS. In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous morning befores breakfast. DR. J. BOYEE DODS' IMPERIAL WINE BITTERS are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Confrey, Wild Cherry Tree Bark, Spitenard, Chamomile Flowers and Gentian. They are manufactured by Dr. Dods himself, who is an experi-enced and successful Physician, and hence should not be classed among the quack nearture which flood the conntry, and against which the Medical Profesion are so justy These truly valuable Bitters have been so theroughly
