FOR THE CONSTITUTION AND THE ONLY KNOWN REMEDY

DIABETES AND DISEASES OF THE KIDNEYS AND BLADDER.

102

These Dangerous and Troublesome Diseases, which have thus far Resisted the best directed Treatment, can be Completely Controlled by the REMEDY

THE CURATIVE properties of the medicine direct themselves to the organ of secretion, and by so altering the condition of the stomacl and liver that the starchy principle of the food is not con verted into sugar so long as the system is unde CONSTITUTION WATER.

which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has been given STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY ISCHARGES AFTER URINATING.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The dose should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitu

DYSMENORREŒA. OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING, Both diseases arising from a faulty secretion of the menstroal fluid—In the one case being too little, and accompanied by severe pain; and the other a too profuse secretion, which will be speedily cured by the Constitution Water.

That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRI—TATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Celd Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION.

Which in the unmarried female is a constant a rring disease, and through neglect the seeds of more grave and dangerous maindles are the result; and as month after month passes without an effort being made to assist nature, the suppression become chronic, the patient gradu lly loses her appetite, the bowels are constipated weats come on, and consumption finally ends her LEUCORRHEA OR WHITES.

This disease depends upon an inflammation of muc Inits usease depands upon an initialization of mucous libring of the vaginx and womb. It is in all cases accompanied by severe pain in the back, across the biwels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and even inc.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAUMATION OF THE KIDNEYS, AND
CATAIRH OF THE FLADDER, FTRANGURY AND BURNING, OR PAINFUL U. INATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most orgent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teas-poonful a day of Constitution Water will relieve you like magic. FOR DYSPERSIA,

it has no equal in relieving the most distressing symptoms. Also, Headache, Heartburn, Acid Stomach, Vomiting Food, &c. Take a traspoonful after dinner. The dose in all cases may be increased if desired, but should be done PHYSICIANS have long since given up the use of buchu, cubebs, juniper in the treatment of these diseases, and only them for want of a better remedy.

CONSTITUTION WATER has proved itself equal to the task that has devolved upon it.

DIURETICS irrifate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

DANVILLE, Pa., June 2, 1862.

Dr. WM H. Gergor—Dear Sir: In February, 1861, I was efflicted with the sugar diabetes, and for five months I passed more than two grillons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the nicht, and in five months I lost about fitty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

two bottles I was entirely cursed, soon after regaining my usual good health. Yours truly,

J. V. L. DE WITT.

BOSTON CORNERS, N. Y., Dec. 27, 1860.

WM. H. Grede & Co:

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was atta-ked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Failing of the Womb, Dysmenorrhee, and Irritation of the Bladder. I called a liviscian, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine mouths, and while she was under his care she did not suffer quite as much plan; he finally gave her up and said, "her case was incurable." For, said be, "she has such a combiration of complaints, that modeline given for one operates against some other of her difficulties." About this time, she e-numenced to use, the Constitution Water, and to ur utter astonishment almost the first does seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent core.

WM. M. VAN BENSCHOTEN.

that it has produced a permanent core.

WM. M. VAN BENSCHOTEN. MILFORD, CONN., Nov. 19, 1861. DR. WM. H. GREGG: DR. WM. H. GREGG:

Dear Sir: I have for several years, been afflicted with
that troublesome and dangerous disease—Gravel—which
resisted all rem-dies and doctors, until I took Constitution
Water, and y: u may be assured that I was exceedingly
pleased with the result. It has entirely cured me, and you
may make any use of my name you may see fit in regard
to the medicine, as I have entire confidence in its efficacy.
Yours traly, POND STRONG.

There is no class of diseases that produces such exhaust-ing effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through a faise modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

CONSTITUTION WATER to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and intracions.

BULLOCK & CRENSHAW. Druggists and Manufacturing Chemists. june 25 ly 24] TO THE PEOPLE OF THE UNITED In the month of December, 1888, the undersigned for the first time offered for sale to the public Pr. J. Boves Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misory arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only sak a trial of

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strongthen and invigorate the whole system and give a fin- tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmin. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PRE—VENT DISEASE, and in this respect are doubly valuable to the person who may use them. For

in the iand should be wincout them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a largo quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers and Gontian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a TONIC, MEDICINE AND A BEVERAGE.
