THE CURATIVE properties of the medicine direct themselves to the organ of secretion, and by so altering the condition of the stometh and liver that the starchy principle of the food is not con worked into sugar so long as the system is under the influ CONSTITUTION WATER.

Disease occurring from one and the same cause will be entirely curred by the Constitution Water, if taken for any length of time. The does should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed.

Both diseases arising from a faulty secretion of the m strual fluid—in the one case being too little, and accom-canied by severe pain; and the other a too profuse secre-ion, which will be speedily cured by the Constitution That disease known as FALLING OF THE WOMB, which the result of a relaxation of the ligaments of that organ, d is known by a sense of heaviness and dragging pains the back and sides, and at times accompanied by sharp clusting or shooting pains through the parts, will, in all see, be removed by the medicine. lacinating or snooting pains unrough and pairs, and, accases, be removed by the medicine.

There is another class of symptoms arising from IRRI-TATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only connerate them here. I speak more particularly of 0-1d Feet, Palpitation of the Heart, Impaired Memory, Wakefulners, Flashes of Heat, Languor, Lassizade and Dimenas of Vision.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most argent symptoms. DANVILLE, Pa., June 2, 1862.

Dr. Wm. H. Guegg—Dear Sir: In February, 1861, I was sflicted with the suggested aboves, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I had above. times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

two botties I was entirely cured, soon after regaining my usual good health. Yours truly,

J.V. L. DE WITT.

Boston Corners, N. Y., Dec. 27, 1861.

Wh. H. Greog & Co:

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was atta-ked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrhe, and Irritation of the Bladder. I called a rhysician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said. "her case was incurable." For said be, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to are utter astoolshment, almost the first doss seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superinrends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permancent cure.

Mithoral, Conn., Nov. 19, 1861.

MILFORD, CONN., Nov. 19, 1861.

Dr. WM. H. Grrog:

Dear Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which resisted all rem-dies and doctors, until I took Constitution Water, and you may be as-ured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see fit in regard to the medicine, as I have cutire confidence in its efficacy.

Yours truly, POND STRONG. THESE ARE FACTS ENOUGH.

There is no class of diseases that produces such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidneys, Biadder and Urlnary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the CONSTITUTION WATER

to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in caring; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and intraction. hysician.

TO THE PEOPLE OF THE UNITED STATES. In the mouth of December, 1858, the undersigned for the first time offered for sale to the public Pr. J. Boves Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily all ment should be had; for diseases of the body must invariably affect the mind. from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthon and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weaknees peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

THESE BITTERS WILL NOT ONLY CHIE, BUT PREWINT DISEASE, and in this respect are doubly valuable to the person who may use them. For

As Beverage, they are wholesome, innocent, and delicious to the taste. They are pure and suffrely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chillis and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially ald in banishing Drunkenness and Disease.
