THIRTY-SEVENTH CONGRESS-SECOND SESSION. MONDAY, January 12.
 The Governor says, also, that many of our troops have mot been paid for a long time.
 when I arrived here, although several vessels were in port before us, nobody seemed to be informed of the disasters I have mentioned. Hence it will readily appear that a dozen of like character may have happened, and all except these insurrection and con-savery in that state. Un motion of Mr. Harlan the President was requested to inform the Sonate what measures have been adopted to enforce the property of robels, and if any additional logislation is necessary for the enforcement of said act. Mr. Clark offered a resolution, which was adopted, that the committee to not becondue of the songet the second robe on the Conduct of the sonted :
 The Governor says, also, that many of our troops have in the second paid for a long time. Mr. Boyer introduced a bill to prevent free negrees from coming into the State of Penney sylvania arrested by order of the Federal authorities taid over one day. Mr. Hopkins dired a resolution, instructing the act for commutation of tonnage duties. Passed. Adjourned. The following Preamble and Resolutions were pre-sonted:
 when I arrived here, although securet low of the disasters I have mentioned. Hence it will readily appear that a dozen of like character may have happened, and all except those immediately in the secret remain gionarat of them. -Phila. Inquirer. Mr. Hopkins direct a resolution, instructing the act for commutation of tonnage duties. Adjourned. The following Preamble and Resolutions were pre-sonted:
 When I arrived here, although securet low of the disasters I have mentioned. Hence it will readily appear that a dozen of like character may have happened, and all except those immediately in the secret remain gionarat of them. -Phila. Inquirer. Mr. Book at the commutation of tonnage duties. Mr. Book at the commutation of them. -Ph THIBTY-SEVENTH CONGRESS-SECOND SESSION. MONDAY, JANUARY 12. Petitions relating to the bankrup. Iaw and to col-onization were presented to the benate yesterday, and a bill was introduced by Mr. Willey to aid West Virginia in the more specuy and final abolition of slavery in that state. Un motion of Mr. Harlan the President was requested to inform the Senate what measures have been adopted to suffere the provis-ions of the act to suppress the insurrection ind con-fiscate the property of robels, and if any additional legislation is necessary for the enforcement of said sot. Mr. Clark offered a resolution, which was adopted, that the Committee on the Conduct of the War inquire and report what are the objections and the sauses of delay in the execution of the act to confiscate the property of robels, especially in the District of Columbia, and whether any legislation is necessary to secure the more prompt execution of the set. Mr. Fessenden called ap the bill to provide for the further issue of bonds and United States Treas-ury notes, which was passed. The joint resolution itom the House for the prompt payment of the sol-dires me enversored (The Mill Ur the diventre

from the House for the prompt payment of the sol-diers was postponed. The bill for the discharge of was taken up, and Mr.

made a long and virulent speech, mainly in reply to the remarks of Mr. Saulsbury a few days since. The oill authorizing the raising of troops for the defense f Kentucky was, after a brief debate, passed.

The House adopted a resolution instructing the Committee on Minitary Affairs to inquire into the expediency of providing by law for the payment of company and regimental officers from the date of ir commissions. A motion to discharge the Committee of Ways and Means from the jurther con-sideration of the bill to reduce the duty on imported paper was tabled. On motion of Mr. Duan, the Secretary of the Treasury was requested to inform the House, so far as in his power, what amount has been expended since the rebellion in the employment and sustemance of slaves in the been expended since the rebelion in the employment and sustenance of slaves in the distoyal states, and to what extent such expenses have been compensated by the services of said slaves. On motion of Mr. Kellogg the Committee of Ways and Means were instructed to inquire allo the expe-diency of reducing the duty on imported rage of which paper is made. On motion of Mr. Arnoid it was resolved that the President communicate full statistics of the trade and commerce of the great lakes, the western rivers, and the St. Lawrenco.---Mr. Noeli offered a resolution, which was adopted, that the Committee on Naval Affairs inquire into the expediency of establishing a navy yard at some suit-able point between the mouth of the Othe and North ble point between the mouth of the Ohio and North it. Louis, and report by bill or otherwise. A motion o ratify, approve, and confirm the President's eman-

cipation proclamation was referred to the Judiciary Committee. On motion di Mr Aldrich the Commitee on Military Affairs were instructed to inquire into the expediency and necessity of granting bounty lands of one hundred and sixty acres now serving, r who may hereafter enlist in any old regime. he said land to be located on any confiscated rebel plantations as soon as the rebellion is crushed, and report by bill or otherwise Mr. Dawes offered a resolution, which was adopted, that the President furnish the House with the instructions given to Tesolution, which was adopted, that the President furnish the House with the instructions given to Gen. Dir., Ge

A full supply of Bonds will be kept on hand for immedi-3m 44] Subscription Agent. EOV 11 ILLUSTRATED THE BEST MECHANICAL PAPER IN THE WORLD. EIGHTEENTH YEAR. VOLUME VIII -NEW SERIES. A new volume of this popular Journal commences on the first of January. It is published weekly, and every number contains sixteen pages of useful information, and from five to tru original sugravings of new inventions discoveries, all of which are prepared expressly for columns. TO THE MECHANIC AND MANUFACTURER. No person engaged in any of the mechanical or manu-facturing engaging.

TO THE MICULANIC AND MANUFACTURER. No person engaged in any of the mechanical or manu-facturing purcuits should think of "doing without" the Eclevitific American. It costs but six cents per week; every number continus from six to an engravings of new machines and inventions, which can not be found in any other publication. r both Mon and Boys, adapted to the prevail-

. .

envelope as to insure detection. Fourth-Security for the free payment of the Postage; as the stamp, when once properly placed in this window, cannot be removed without its destruction. Fifth-Advantage therefore to the Government; by the effectual destruction of every stamp in its first use. Sizth-Facility to the Post Office Departions; by a uni-form location of the stamp in the upper right hand corner, which is the most convenient position for the Post Office mark. Scenth-Verification of the Mailing; by securing on the letter itself the legal endernee of the time and place of it being mailed. This has loog been esteemed to desirable, that many prudent persons are constrained to dispense with the use of enveloped, that they may have the post mark on the letter; and others take the precaution to plu the evelope again on the letter for identification. *Eighth*-Cartainty of the Date and Place on the Letter, which are so frequently omitted by writers in carelessmess or hurry.

A harry. Ainth-Ornamentation; which, though some may think of small importance, certainly meets the approval of all persons of tasts. *Tenth*-Cost. Notwithstanding the many and unrivalled

1cmin-Cost. Notwithstanting the many and unrivalided advantages of the "Stamp Scaling Envelopes," they will be furnished at a very small advance upon the prices of these not having the benefit of this patent. Can be had at J. M. WESTHAEFFF8 Cheep Book Store, Corner North Queen and Orange Sts. nov 4 tf 43
