THE DAY SCHOOL BELL.

A new Singing Book for Day Schools, called the Day School Bell, is now ready. It contains about 200 choice songs, rounds, cathes, duetts, trios, quartetts and choruses, many of them written expressly for this work, besides 32 pages of the Elements of Music. The Elements after the sides 32 pages of the Elements of Music and sent sides 32 pages of the Elements of Music. The Elements are so easy and progressive, that ordinary teachers will find themeslves entirely successful in instructing even young scholars to sing correctly and scientifically; while the tunes and words embrace such a variety of lively, attractive, and soul-stirring music and sentiments, that no trouble will be experienced in inducing all beginners to go on with zeal in acquiring skill in one of the most health-giving, beauty-improving, happinessy-isdine, and order-producing exercises of school life. In simplicty of its elements, in variety and adaptation of music, and in axcellence and number of its songs, original, selected, and adapted, it claims by much to excel all competitors. It will be found the best ever issued for seminaries, academies and public schools. A few sample pages of the elements, tunes and songs, are given in a circular; send and vet one. It is compuled by Horzeo Waters author of mies and public schools. A few sample pages of the elements, tunes and songs, are given in a circular; send and get one. We have been compelled to raise the club subscription price to one dollar and and fifty cents in order to save ourselves from setual less. Paper has risen, including taxes, about twenty five per cent, and still rising; and when we tell our bemocratic friends, candidly, that we can no longer alford to sell the Weekly Parkor and Union at one dollar a year, and must add fifty cents or stop the publication, we trust they will appreciate our position, and, instead of withdrawing their subscriptions, go to work with a will to increase our list in every county in the State. We have endeavored, and shall continue our efforts, to make the paper useful as a party organ, and welcome as a news messenger to every tamily. We flatter ourselves that it has now been without some influence in preducing the glorious revolution in the politics of the State Achieved at the late election; and if fearliesness in the discharge of duty, faleity to the principles of the party, and anxious desire to promote its interests, with some experience a da moderate degree of ability, can be made serviceable hereafter, the Weekly Parkor and Union will not be less useful to the party or less welcome to the family circle in the fut re frian it has been in the past. We condently look for increased encouragement in this great enterprise, and appeal to every inflaential Democrati in the State to lend us his sid in running our subscription list up to twenty or hearty may be great. Believing that the Democracy of the State field the necessity of sustaining a learness central organ, we make this appeal to them for as sustance with the fullest confidence of success.

The same reasons which induce us to raise the price of which is also increased. The additional cost to each subscriber will be but rifiling; and, while we cannot persuit in any diminution of our daily circulation, yet, were we certain that such would be the consequence, we would still be compelled to make it, or suffer a

CONSTITUTION WAT R THE GREAT REMEDY FOR THE

CONSTITUTION AND THE ONLY KNOWN BEMEDY DIABETES AND DISEASES OF THE KIDNEYSTAND BLADDEB.

hese Dangerous and Troublesome Diseases, which have thus far Resisted the best directed Treatment, can be Completely Controlled by the REMEDY now before us!

THE CURATIVE properties of the medicine direct themselves to the organs of secretion, and by so altering the condition of the stomach and liver that the starchy-brinciple of the food is not con-verted into sugar so long as the system is under the influ-ence of the CONSTITUTION WATER.

which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has been given. STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY - TSCHARGES AFTER URINATING.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the sereity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed.

DYSMENORREŒA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the men-strust fluid—in the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be specifly cured by the Constitution Water.

That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, is the result of a relaxation of the ligaments of that organ and is known by a sense of heaviness and dragging pain and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION,

Which in the unmarried female is a constant : rrin disease, and through neglect the seeds of more grave an dangerous middles are the result; and as month afte month passes without an effort being made to assis

panied by severe pain in the back, across the lowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and evening. IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRE OF THE BLADDER, STRANGURY AND BURNING, OR PAINFUL USINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of Constitution Water will relieve you like magic.

FOR DYSPEPSIA. it has no equal in relieving the most distressing symptom Also, Headache, Heartburn, Acid Stomach, Vomiting Foodac. Take a teaspoonful after dinner. The dose in a cases may be increased if desired, but should be dor gradually.

PHYSICIANS

PHYSICIANS have long since given up the use of buchu, cubebs, and juniper in the treatment of these diseases, and only use them for want of a better remedy. CONSTITUTION WATER

READ! READ!! READ!!! Danville, Pa., June 2, 1862. Dr. Wm H. Gregg-Dear Sir: In February, 1861. I w. afflicted with the sugar diabetes, and for fire months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about thity pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. J. V. L. DE WITT.

Boston Corners, N. Y., Dec. 27, 1861.

Wm. H. Gred & Co:

Gents: I freely give you liberty to make use of the following Cortificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorthe, and Irritation of the Bladder. I called a rhysician, who attended her about three months, when he left her worse than the found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, wher case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, aimost the first dose seemed to have the desired effect, and she kept on improving rapidly under its frestment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

WM. M. VAN BENSCHOTEN.

MILFORD, CONN.. Nov. 19, 1861.

DR. WM. H. Gregg:

Dear Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which resisted all rem-dise and doctors, until I took Constitution Water, and you may be as-ured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see fit in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG.

THESE ARE FACTS ENOUGH.

There is no class of diseases that produces such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Uriuary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

CONSTITUTION WATER to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

ARRANT'S COMPOUND EXTRACT OF OUBEBS AND COPAIBA.

This preparation is particularly recommended to the MEDICAL PROFESSION and the PUBLIC, as combining in the most convenient and efficacious form, the well-stablished virtues and properties of Cubebs and Copaiba. For the speedy and effectual relief and cure of all REXUAL DISEASES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfere with the digrestion, while, from its greater on-centration, the dose is much reduced. It may be relied on as the best mode for the administration of these remedies in the large class of diseases of both sexes to which they are applicable.

N. B.—Purchasers are advised to ask for TARRANT'S COMPOUND EXTRACT OF CUBEBS AND COPAIBA, and to take nothing else—as imitations and worthless preparations, under similar names, are in the market. Pamphlets accompany the medicine, containing full and ample directions. Price, \$1.00. Sent by express on receipt of price.
