These Bitters for the cure of Weak Stomachs, General Debility, and for Parifying and Euriching the Biood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about -one-third stronger than other wines; warming and invigor-ating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and lowigorate the whole system and give a flor tone and healthy action to all its parts, by equaliz-ing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is re-quired to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.
