 The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that amoug the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and these who once use them will not fail to keep a supply.

 DK. J. BOYEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilfai physician who has used them auccessfully in his practice for the last twenty-five years. The proprietor, before parchasing the exclusive right to manufacture and sell DL. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distin-guished medical practitioners, who pronounced them a valu-able remedy for disease.

 Although the modical meu of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTEKS.
