which gives those organs time to recover their healthy tone and rigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has been given.

STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY +ISCHARGES AFTER URINATING. Disease occurring from one and the same cause will be entirely curedaby the Constitution Water, if taken for any length of time. The dose should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed.

DYSMENORREGA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be speedily cured by the Constitution Water. That disease known as FALLING OF THE WOMB, which That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parte, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervoueness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION,

Which in the unmarried female is a constant a tring disease, and through neglect the seeds of more grave and dangerous maiadies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.

LEUCORRHŒA OR WHITES.

This disease depends upon an inflammation of mucous ining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may baken three times a day, with an injection of a tablespoon ful of the medicine, mixed with a half-pint of soft water more than and examing.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE BLADDER, STRANGURY AND BURNING, OR PAINFUL UHINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. Are you troubled with that distressing pain in the small of the back and through the bips? A teaspondia day of Constitution Water will relieve you like magic. FOR DYSPEPSIA,

it has no equal in relleving the most distressing symptoms. Also, Headache, Heartburn, Acid Stomach, Vomiting Food, &c. Take a teaspoonful after dinner. The dose in all cases may be increased if desired, but should be done PHYSICIANS

DANVILLE, Pa., June 2, 1862. Dr. Wm. H. Gregg—Dear Sir: In February, 1861, I was afflicted with the sugar diabetes, and for five months I more than two gallons of water in twenty-fou passed more than two gaines of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. BOSTON CORNERS, N. Y., Dec. 27, 1861.

Ww. H. GREGG & Co.:

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysemeorrbas, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not saffer quito as much pain; he finally gave her up and said, "her case was incurable." For, said he, "ash has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superinteeds entirely her domestic affairs. She has not taken any of the Constitution water as about thow weeks, and was an hamp, to say that it has produced a permanent cure.

Dear Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which constitution. that troublesome and dangerous disease—Gravel—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see fit in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG.

THESE ARE FACTS ENOUGH.

There is no class of diseases that produces such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidfeys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before breakfast.

DR. J. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning graw infitt the latest period of life; and in cases where the hair has already changed its color the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it afford in dressing the hair, which, when moist with the Invigorator can be dressed in any required forms on as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being ONLY TWENTY-FIVE CENTS par bottle, to be had at all respectable drugglets and perfamers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the childrens' Hair inclines to be weak. The use of it lays the foundation for a good head of hulr, as it removes any impurities that may have become connected with the scalp the removal of which is necessary both for the health of the child, and the future appearance of the Hair.

CAUTON.—Nene genuine without the face simile LOUIS MILLER's HAIR INVIGORATOR, N. Y., blown in the glass.
