THE DAY SCHOOL BELL.

35,000 COPIES ISSUED.

A new Singing Book for Day Schools, called the Day School Bell, is now ready. It contains about 200 choice songs, rounds, catches, duetts, trice, quartetts and choruses, many of them written expressly for this work, besides 32 pages of the Elements of Music. The Elements are so easy and progressive, that ordinary teachers will find themselves entirely successful in instructing even young scholars to sing correctly and scientifically; while the times and words embrace such a variety of lively, attractive, and soul-stirring music and sentiments, that no trouble will be experienced in inducing all beginners to go on with zeal in acquiring skill in one of the most health-giving, beauty-improving, happiness-yielding, and order-producing exercises of school life. In simplicity of its elements, in variety and adaptation of music, and in excellence and number of its songs, original, selected, and adapted, it claims by much to excel all competitors. It will be found the best ever issued for seminaries, academies and public schools. A few ample pages of the elements, tunes and songs, are given in a circular; send and get one. It is complied by Horace Waters, author of "Sabbath School Bell," Nos. 1 and 2, which have had the enormous sale of 735,000 copies. FOR THE CONSTITUTION AND THE ONLY KNOWN REMEDY DIABETES AND DISEASES OF THE KIDNEYS MAND BLADDER.

these Dangerous and Troublesome Diseases, which have thus far Resisted the best directed Treatment, can be Completely Controlled by the REMEDY now before us!

THE CURATIVE properties of the medicine direct themselves to the organs of scretion, and by so altering the condition of the stomach and liver that the starchy principle of the food is not con-verted into sugar so long as the system is under the influ-CONSTITUTION WATER, which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has

STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY DISCHARGES AFTER UNINATING. Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water as above directed.

e proper remedies, and on Water, as above directed. DYSMENORREGA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by severo pain; and the other a too profuse secre-tion, which will be speedily cured by the Constitution ater.
That disease known as FALLING OF THE WOMB, which
the result of a relaxation of the ligaments of that organ, That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nerrousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms we can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION, Which in the unmarried female is a constant: rring disease, and through neglect the seeds of more grave and dangerous misdies are the result; and as mouth after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradunature, the suppression becomes chronic, the patient gradular ally loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career

LEUCORRHŒA OR WHITES. This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, acrost the bowels and through the bips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoon ful of the medicine, mixed with a balf-pint of soft water ning and evening.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE BLADDER, STRANGUBY AND BURNING, OR PAINFUL UNINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoond a day of Constitution Water will relieve you like magic. FOR DYSPEPSIA.

It has no equal in relieving the most distressing symptoms. Also, Headache, Heartburn, Acid Stomach, Vomiting Food. &c. Take a teaspoonful after dinner. The does in all cases may be increased if desired, but should be done

READI READII READI DANGILE, Pa., June 2, 1862.

Dr. WM II. Gread—Dear Syr: In Fabruary, 1861. I was affilied with the spgar diabetes, and for five mouths I passed more than two gallons of water in twenty-four hours. I was obliced to get up as often as ten or twelve times during the night, and in five mouths I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely corod, soon after regaining my usual good health. Yours truly,

two bottles I was entirely cured, soon after regaining my usual good heath. Yours truly, J. V. L. DE WITT.

Boston Corners, N. Y., Dec. 27, 1861.

Wn. H. Greeg & Co.:

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was atta-ked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrha, and Irritation of the Bladder. I called a physician, who attended her about three months, whon he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pale; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she cornenged to use the Constitution Water, and to our utter astonishment, almost the first does seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Coustitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

WM. M. VAN EKNSCHOTEN.

Millyonn, Conn., Nov. 19, 1861.

Dr. Wm. H. Grego:

Dear Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you

THESE ARE FACTS ENOUGH. There is no class of diseases that produces such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the centrel of ordinary remailed and was resent thus.

CONSTITUTION WATER to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remady in a form to meet the requirements of patient and physician.

ELIXIR PROPYLAMINE The New Remery for AHEUMATISM

During the past year we have introduced to the notice of the medical profession of this country the Pure Crystal ized Chloride of Propylamine, as a REMEDY FOR RHEUMATISM;

and having received from many sources, both from phy-

icians of the highest standing and from patients, the MOST PLATTERING TESTIMUNIALS OF ITS REAL VALUE the treatment of this painful and obstinate disease, w are induced to present it to the public in a form READY FOR IMMEDIATE USE, which we hope will commend itself to those who are suffering with this afflicting com plaint, and to the medical practitioner who may feel dis posed to test the powers of this valuable remedy. ELIXIR PROPYLAMINE, in the form above spoken of, has recently been extensively experimented with in the

PENNSYLVANIA HOSPITAL, and with MARKED SUCCESS (as will appear from the published accounts in the medical journals.) It is carefully put up ready for immediate use, with full directions, and can be obtained from all the druggists

june 25 ly 24] TO THE PEOPLE OF THE UNITED STATES. In the month of December, 1858, the undersigned for the first time offered for sale to the public Pr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of boddly and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling boddly allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

all who have not used them. We challenge the world from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Deblity, and for Parifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tone and alcality in their churacter, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing the circulation, removing obstructions, and producing a fine tone not healthy action to aim is parte, by equality ing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Dissases and Weakness prouling to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faitness, should be without therr, as they are retivifying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE,

and in this respect are doubly valuable to the person who

preceive the state of the present who have the state. For

MOST SALUTARY AND EFFICACIOUS.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fall to keep a supply.

DR. J. BOVEE DODS IMPERIAL WINE BITTERS are propared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical mon of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.
