TAXATION .--- In Albany, N. Y., the Republicans called upon the citizens to support the Republican candidates in the recent municipal election "to save themselves from taxation." To this the Albany Argus well replied as fol. lowa :---

The Tax Payers will remember that Their bread is taxed by Republicans! Their tea is taxed by Republicans! Their sugar is taxed by Republicans! Their business is taxed by Republicans ! Their clothing is taxed by Republicans !

In short, that everything they eat, drink or wear is taxed by a reckless Administration, not to supply the real necessity of the country, but to fee and enrich an army of greedy partizans, and to pave with "greenbacks' road to the next Presidency.

COMPOUND EXTRACT OF

OUBEBS AND COPAIBA.

This preparation is particularly recommended to the MKDIOAL PROFESSION and the PUBLIO, as combining, in the most convenient and efficacions form, the well-established virtues and properties of Gubebs and Copaiba. For the speedy and effectual relief and cure of all SEXUAL DIBERABES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfore with the digosition, while, from its greater on-centration, the dose is much reduced. It may be relied on as the bear mode for the administration of these remedies in the large class of diseases of both sexes to which they are applicable. M. B.-Eurchasers are advised to ask for TARRANT'S COMPOUND EXTRACT OF GUBERS AND COPAIBA, and to take nothing else-as initiations and worthlase preparations, under similar names, are in the market. Pamphlets accompany the medicine, containing full and ample directions. Price, \$1.00. Sent by expression receipt of price.
