That disease known as Falling Of THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision.

Which in the unmarried female is a constant : rring disease, and through neglect the seeds of more grave and dangerous maindles are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night LEUCORRHŒA OR WHITES.

This disease depends upon an inflammation of mucon ining of the vagina and womb. It is in all cases accom-anied by severe pain in the back, across the bowels and brough the hips. A teaspoonful of the medicine may be aken three times a day, with an injection of a tablespoon-

DANVILLE, Pa., June 2, 1862.

Dr. Wm II. Grego—Dear Sir: In February, 1861, I was afflicted with the sugar diabetes, and for five months 1 passed more than two gallons of water in twenty-four times during the night, and in five months I lost about times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

J. V. L. DE WITT.

two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

J. V. L. DE WITT.

Boston Corners, N. Y., Dec. 27, 1861.

WM. H. Gerof & Co.:
Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole longth of the back, and in her limbs, with Paipitation of the Heart, attended with Falling of the Womb, Dysmeoorrhes, and irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of compliaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

WM. M. VAN BENSCHOTEN. WM. M. VAN BENSCHOTEN. MILFORD, CONN., Nov. 19, 1861.

DR. WM. H. GERGG:

Dear Sir: I have for several years, been afflicted with
that troublesome and dangerous disease—Gravel—which
resisted all remedies and doctors, until I took Constitution
Water, and you may be assured that I was exceedingly
pleased with the result. It has entirely cured me, and you
may make any use of my name you may see fit in regard
to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG. THESE ARE FACTS ENOUGH.

There is no class of diseases that produces such exhaust ing effects upon the human constitution as Diabetos and Diseases of the Kidneys, Bindder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

CONSTITUTION WATER to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

In the month of December, 1858, the undersigned for the first time offered for sale to the public Pr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strongthen and invigorate he whole system and give a fine tone and healthy action to allit a parts, by equalizing the circulation, removing obstructions, and producing a general warmth. Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.
