THE DAY SCHOOL BELL.

A new Singing Book for Day Schools, called the Day School Bell, is now ready. It contains about 200 choice songs, rounds, catches, duetts, trice, quartetts and choruses, many of them written expressly for this work, besides 32 pages of the Elements of Music. The Elements are so easy and progressive, that ordinary teachers will find themselvee entirely successful in instructing even young scholars to sing correctly and scientifically; while the tunes and words embrace such a variety of lively, attractive, and soul-stirring music and sentiments, that no trouble will be experienced in inducing all beginners to go on with zeal in acquiring skill in one of the most health-giving, beauty-improving, harpinesey-ielding, and order-producing exercises of school life. In simplicty of its elements, in variety and adaptation of music, and in excellence and number of its songs, original, selected, and adapted, it claims by much to excel all competitors. It will be found the best ever issued for seminaries, academies and public schools. A few sample pages of the elements, tunes and songs, are given in a circular; send and get one. THE GREAT REMEDY FOR THE CONSTITUTION

AND THE ONLY KNOWN REMEDY DIABETES AND DISTASES OF THE

THE CURATIVE

DYSMENORREGA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

tion, which will be speedily cured by the Constitution Water.

That disease known as FALLING OF THE WOME, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp iscinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOME, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION.

LEUCORRHEA OR WHITES.

This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and through the bips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and eventure.

BOSTON CORNERS, N. Y., Dac. 27, 1861.

WM. H. GREGG & Co.:

Gends: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrhee, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to asy that it has produced a permanent cure.

WM. M. VAN BENSCHOTEN.

MILFORD, CONN., Nov. 19, 1861. Da. Wm. II. Gargg:

Dar Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which resisted all romedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see in its regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG.

THESE ARE FACTS ENOUGH.

There is no class of diseases that produces such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and rian. DANVILLE, Pa., June 2, 1862.

Dr. Wm H. Grigo—Dear Sir: In February, 1861, I was sfilieted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

The Verice Parent preserves the actional tops of PATENT INSULATED TULL IRON FRAME NEW SOLLE GRAND AND SQUARE PIANO-FORTES.

The Insulated Iron Frame preserves the original tone of the instrument in all its purity, securing it for all time against that most disagressible timny quality of tone invariably found in all other Iron Frame Plano-Fortes. It greatly strengthens the case and thus keeps the Pisno-Forte much longer in time. It gives the instrument a much fuller, richer and sweeter tone. It adapts the Pisno to all climates and to all changes of atmosphere, and in all respects it is promounced by our "artists" the greatest improvement of the age in Pisno-Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.

A FEM TESTIMONIALS IN REGARD TO THE SUPERIORITY OF OUR NEW SCALE PATENT INSULATED PIANO-FORTES.

"In clearness, richness, evenness, and purity of tone, and in delicacy of touch they certainly excel, and in that beautiful singing quality so desirableys to seldom found."

ELIXIR PROPYLAMINE

During the past year we have introduced to the notice of the medical profession of this country the Pure Crystalized Chloride of Propylamine, as a

REMEDY FOR RHEUMATISM; and having received from many sources, both from physicians of the highest standing and from patients, the MOST FLATTERING TESTIMONIALS OF ITS REAL VALUE in the treatment of this painful and obstinate disease, we are induced to present it to the public in a form READY FOR IMMEDIATE USE, which we hope will commend itself to those who are suffering with this afflicting complaint and to the medical practitioner who may feel dis posed to test the powers of this valuable remedy.

ELIXIR PROPYLAMINE, in the form above spoken of. has recently been extensively experimented with in the PENNSYLVANIA HOSPITAL. and with MARKED SUCCESS (as will appear from the

published accounts in the medical journals.)

It is carefully put up ready for immediate use, with full directions, and can be obtained from all the druggists at 75 cents per bottle, and wholesale of BULLOCK & CRENSHAW. Druggists and Manufacturing Chemists, june 25 ly 24]

TO THE PEOPLE OF THE UNITED
STATES.

In the month of December, 1853, the undersigned for the
first time offered for easte to the public Pr. J. Bovee Dods'
Imperial Wine Bitters, and in this short period they have
given such universal satisfaction to the many thousands
of persons who have tried them that it is now an established article. The amount of bodily and mental misery
arising simply from a neglect of small complaints is sur
prising, and it is therefore of the utmost importance that
a strict attention to the least and most trifling bodily ali
ment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the curs of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weskness peculiar to Fenniace, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without there, as they are revivifying in their action.

THESE BITTELES WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who mes use them. For

DR. J. BOVEE BODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The propristor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Bods' Celebrated Imperial Wine Bitters, had them jested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease. Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' HEPERIAL WINE BITTERS. WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every orning before breakfast.
DR. J. BOVEE DODS' IMPERIAL WINE BITTERS

DR. J. BOVE EDOBS' IMPERIAL WINE BITTERS are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flower and Gontian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

FEMALE WEAKNESS. MIS-PIMPLES ON THE FACE, ROUGHNESS OF THE SKIN, etc. MENSTRUATION, WHITES, CHLOROSIS

The IRON being absorbed by the blood, and thus circulating through the whole system, no part of the body can escape their truly wonderful influence. The experience of thousands daily proves that no preparation of Iron can for a moment be compared with it. Impurities of the blood, depression of vital energ- pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. In all cases of female debility (fluor albus, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, com-plete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.
