THE DAY SCHOOL BELL.

A new Singing Book for Day Schools, called the Day School Bell, is now ready. It contains about 200 choice songs, rounds, catches, duetts, trice, quartetts and choruses, many of them written expressly for this work, besides 22 pages of the Elements of Music. The Elements are so easy and progressive, that ordinary teachers will find them-elves entirely successful in instructing even young scholars to sing correctly and scientifically; while the tunes and words embrace such a variety of lively, attractive, and soul-stirring music and sentiments, that no trouble will be experienced in inducing all beginners to go on with zeal in acquiring skill in one of the most health-giving, beauty-improving, happiness-yielding, and order-producing exercises of school life. In simplicity of its elements, in variety and adaptation of music, and in excellence and number of its songs, original, selected, and adapted, it claims by much to excel all competitors. It will be found the best ever issued for seminaries, academies and public schools. A few sample pages of the elements, tunes and songs, are given in a circular; send and get one. It is compiled by Horace Waters, author of "Sabbath School Bell." Nos. 1 and 2, which have had the enormous sale of 735,000 copies. Prices-paper cover, 20 cents, \$16 per 100; bound, 30 cents, \$22 per 100; cloth bound, embossed gilt, 40 cents, \$20 per 100. 25 copies furnished at the 100 price. Mailed at the retail price.

Both diseases arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be speedily cured by the Constitution Water.

That disease known as FALLING OF THE WOMB, which s the result of a relaxation of the ligaments of that organ, und is known by a sense of heaviness and dragging pains un the back and sides, and at times accompanied by sharp actnating or shooting pains through the parts, will, in all asses, be removed by the medicine. lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRI-TATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude, and Dimness of Vision.

DANVILLE, Pa., June 2, 1862.

Dr. Wm. H. Greege—Dear Sir: In February, 1865, I was sfilicted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it! Cuperienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly, J. V. L. DE WITT.

Boston Corners, N. Y., Deo. 27, 1861.

Wm. H. Greeg & Co.:

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was starked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Failing of the Womb, Dysmeoorrhe, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found ber. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter actonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her time, she commenced to use the Constitution Water, and to our utter astonishment, aimost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitu-tion Water for about four weeks, and we are happy to say that it has produced a permanent cure.

DR. WM. H. GREGG:

Dear Nor. I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may fee fit in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG.

THESE ARE FACTS ENOUGH There is no class of diseases that produces such exhaust-ing effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician. from all who have not used them. We challenge the world to produce their equal.
These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Euriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit a parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Femiles, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.
