Disease occurring from one and the same cause will be untirely cured by the Constitution Water, if taken for any ength of time. There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which mord covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. My wife, who was attacked with pain in the shoulders, whole length of the buck, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrhe, and Irritation of the Bisdder. I called a physician, who attended her about three months, when he left her worse than he found her. In the month of December, 1858, the undersigned for the first time offered for sace to the public Pr. J. Bovee Bods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misory arising simply from a neglect of small complaints is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most irifling bodily aliment should be had; for diseases of the body must invariably affect the mind. from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Parifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without there, as they are reviviriying in their action. and in this respect are doubly valuable to the person who

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhibitanting effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refreint from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially ald in banishing Drunkenness and Disease.

DR. J. BOYKE DODS' IMPERIAL WINE BITTERS DR. J. BOVEE DODS IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-live years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

DR. J. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a TONIC, MEDICINE AND A BEVERAGE.
