It contains about 200 choice songs, rounds, catches, detets, trice, quartetts and chorvess, many of them written expressly for this work, besides 32 pages of the Elements of Music. In simplicty of its elements, in variety and adaptation of music, and in accellence and number of its songs, original, selected, and adapted, inclaims by much to excel all competitors. CONSTITUTION WAT THE GREAT REMEDY POR THE CONSTITUTION AND THE

ONLY KNOWN BEMBDY DIABETES AND DISEASES OF THE KIDNEYS<u>S</u>AND BLADDER

1859 Dangerous and Troublesome Diseases, which he thus far Resisted the best directed Treatment, can be Completely Controlled by the REMEDY now before us!

THE CURATIVE properties of the medicine direct themselves to the organs of secretion, and by so altering the condition of the stomach and liver that the starchy principle of the food is not con-verted into sugar so long as the system is under the influ-CONSTITUTION WATER,

which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Disbetes in which it has een given. STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY DISCHARGES AFTER URINATING.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then fullowed up with the Constitution Water, as above directed.

DYSMENORBHŒA, OR PAINFUL MENSTRUA-TION, AND IN MENORHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the men-strual fluid—In the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be speedly cured by the Constitution Water. tion, which will be speedly cured by the Constitution Water.
That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.
There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms when the symptoms are the disease, or the disease the symptoms when the word of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION, Which in the unmarried female is a constant: rring disease, and through neglect the seeds of more grave and dangerous maisdies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.

LEUCORRHŒA OR WHITES. This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowele and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and evening.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE BLADDER, STRANGURY AND BURNING, OR PAINFUL UKINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single does has been known to relieve the most ungent symptoms.

Are you troubled with that distressing pain in the small of the back and through the bips? A teaspoonful a day of Constitution Water will relieve you like magic.

This preparation is particularly recommended to the MEDICAL PROFESSION and the PUBLIC, as combining, in the most conveniont and efficacious form, the well-established virtues and properties of Cubebs and Copabla. For the speedy and effectual relief and cure of all SEXUAL DISEASES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater on contration, the dose is much reduced. THE MOST WONDERFUL OASE ON RECORD.

The remarkable virtues of Mishler's Herb Elitters have again been brought to the test, and paised through the ordeal triumphantly. The following certificate has been received, and if there are any persons skeptical as to its truth, they can satisfy themselves by calling upon the young man who gives it. He may be found during the day at the Southwest corner of Centre Square and West King street, where he keeps a cake stand. He will give all information that may be decired in regard to his case. But read the following:

CENTIFICATE OF JOHN S. RINEBART.

I hereby certify that I have been afflicted if two without the ald of cruthers. My left leg was much swollen and there were three cruptions at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced no relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the sid of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks, I think I shall soon be as well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afflicted, and would invite all to call upon ms, and I will give them all the information on the subject in regard to my case. ment for the benefit of the amicros, and would have a to call upon me, and I will give them all the information on the subject in regard to my case.

ANOTHER REMARKABLE CURE.
A CASE OF PARALYSIS RELIEVED BY
MISHLER'S BITTERS.
The testimony is every day accumulating that Mishler's
Bitters is performing wonders, and its fame is gradually
but rapidly spreading over the continent. Read the following certificate, selected from hundreds received weekly. It
speaks for itself:

nut rapidly spreading over the continent. Read the following certificate, selected from hundreds received weekly. It speaks for itself:

Neffective Missilfen—Sir: About Christmast, my yongest daughter, a girl of fiten years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she greaw daily worse and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be ontriely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; she can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precure it. You may use this zs you please, for I think that so good a medicine should be known everywhere.

MARIETTA FURNACE, May 22, 1863.

BENJ. MISBLER, ESQ—Dear Sir: Please send me by Pennsylvania Railroad ½ gross your celebrated Bitters as soon as possible. I am almost out oft, and I find it to be the very best Bitters manufactured. I could procure you half a dozen certificates if necessary: but knowing the Bitters will do what is represented, I think-all that is required is the cash for the Bitters. Yours truly,

Agent for B. Mishler.

The office for the sale of Mishler's Bitters is in Centre Square, where hundreds of certificates can be seen.

Yours, respectfully,

LANGASTER, May 27th, 1863. LANGASTER, May 27th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrobees, for three mouths, and I suffored so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six mouths; I had Rheumatism when I went there, and was unable to do anything. One of the immates of the Hospital give me three doces of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bittershave been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital.

Prquea, May 25th, 1863.

Mr. B. Mishler: This is to certify, that I have had an attack of the Gravel for about six months, and sometimes with a good bit of pain; at last it become so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bottles of it, and I must say that it relieved me entirely of my pain. Respectfully yours, JNO. SCHOOK. LANCASTER CITY, May 7th, 1863.

Mr. B. Mishler—Sir: I have been subject to inward weakness and pain in the small of the back tor the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am aimost well, and by using a few more lottiee expect to be as hearty as formerly. I recommend it to those of my sex similarly afflicted.

Respectfully yours. MOUNT JOY, May 13, 1863.

Mr. B. Mishler: My wife having ucus amount of cruciating point in her hands and feet, sworal of our most prominent physicians attended her but could give her little or no rellef. I then had recourse to Mishler's Bitters, she took half a hottle, and the pains enfirely left her. I took the remainder myself; before taking it I was overcome with drowsiness whenever I would sit down to read or write, and would fall asleep, but since I took the Bitters, I feel as if I could "leap over a wall and run through a troop."

GEO. DRUCKENMILLER.

REAMSTOWN, May 4th, 1863.

+ Mr. B. Mishler—Drar Sir: About three years ago there was a Lump or Swelling came on the side of my neck or jaw, which continued to enlarce in size without opening. About two years ago, I drew it open with a poultice I commenced to use your Bitters about three months ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people. I am this day a sound man, and feel nothing of it at all; it has left no mark or trace of it behind, sli has gone away.

B. Mishler—Dear Sir: I had pain in my head, side and back, in connexion with chills and fever, which alarmed me very much from the fact of my having a very severe attack of Typhoid Fever, while connected with the Army. I lought one bottle of your lierb Bitters, and when I got home I took two doses of it which relieved me almost immediately. I am taking two doses per day now and feel as well as ever I did. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard yone Bitters recommended so highly by different ones, I concluded to try it, and such are the facts of the benefits I received by using your Bitters. I am stopping at the Franklin House, North Queen street, in this city, and will be giad to testify to the above, to any one calling at the aforementioned place, or at Costesville, Chester county, which is my permanent residence. B. Mishler—Dear Sir: This is to certify that I have been attending fire in a bake oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a cane and see where I go. I was digging garden to day and
