HENRY NEIL,

Superintendent. 8m 4 CODE V'S LADV'S BOOK FOR 1863.

U GREAT LITERARY AND PICTORIAL YEAR.

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last this ty-three years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country—

MARION HARLAND,

Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Mirism,"

who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far shead of any other magazine.

Book for 1863. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other publication. Our other favorite writers will all continue to furnish article throughout the year. THE BEST LADY'S MAGAZINE IN THE WORLD, AND THE CHEAPEST.

THE LITERATURE
is of that kind that can be read aloud in the family circle, and the elergy in immense numbers are subscribers for the Book.

Is all original, and would cost 25 cents (the price of the Book) in the music stores; but mest of it is copyrighted, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS.

All efforts to rival us in this have ceased, and we now stand alone to this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S IMMENSE DOUBLE SHEET FASHION-PLATES.

CONTAINING
From five to seven full length Colored Fashions on each

FAR AHEAD OF ANY FASHIONS IN EUROPE OR

Godey's is the only work in the world that gives these
timeness plates and they are such as to have central the mmense plates, and they are such as to have excited the wouder of publishers and the public. The publication of heseplates cost

whose of publishers and the public. The publication of these plates cost \$10,000 MORE than fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridin cule, as would be the case if she visited the large cities dressed after the atyle of the plates given in some of our so-called magazines.

OUR WOOD ENGRAVINGS,

of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any other.

I M I T A T I O N S.

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has STONE IN THE RLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY DISCHARGES APTER URINATING.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Sonstitution Water, as above directed.

DYSMENORRHORA. OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the men-stroal fluid—in the one case being too little, and accom-panied by swrere pain; and the other a too profuse secre-tion, which will be speedily cured by the Constitution Water.

That disease known as FALLING OF THE WOMB, which is the scale of a relevation of the literature of the literature. That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the dector does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION.

Which in the unmarried female is a constant : which in the unmarried remain is a constant : rring disease, and through neglect the seeds of more grave and dangerous maiadies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.

LEUCORRHEA OR WHITES.

This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and evening.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE #LADDER, STRANGUEY AND BURNING, OR PAINFUL UKINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single duse has been known to relieve the most urgent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of Constitution Water will relieve you like magic.

have long since given up the use of buchu, cubebs, and juniper in the treatment of these diseases, and only use them for want of a better remedy. CONSTITUTION WATER

READ! READ!! READ!!! DANVILLE, Pa., June 2, 1862. Dr. Wm. H. Gregg-Dear Sir: In February, 1861, I was afflicted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after neight I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

WM. H. GREGG & CO:
Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was atta-ked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Failing of the Womb, Dysmenorths, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse han he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much palu; he finally gave her up and said, wher case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

"THERE IS NO SUCH WORD AS FAIL." COMPOUND EXTRACT OF

OUBEBS AND COPAIBA. This preparation is particularly recommended to the MEDICAL PROFESSION and the PUBLIC, as combining, in the most convenient and efficacious form, the well-established virtues and properties of Cubebs and Copaths. For the speedy and effectual relief and cure of all SEXUAL DISEASES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater on-centration, the dose is much reduced. It may be relied on as the beat mode for the administration of these remedies in the large class of diseases of both sexes to which they are applicable.

N. B.—Purchasers are advised to ask for TARRANT'S COMPOUND EXTRACT OF CUBEBS AND COPAIBA, and to take nothing else—as imitations and worthless preparations, under similar names, are in the market. But read the following:

I hereby certify that I have been afflicted with white swelling and zerofalous outbreaks for a periou of over four years. My case was so bad that I could not walk without the aid of cratches. My left leg was much swollen and there were three eruptions at the knee, one at the hip, and one at the breast. I tried various ramedies, and I had the advice of saveral physicians, but experienced no relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the aid of crutches. My left see: I should not a very short time I began to get better. I am now able to walk without the aid of crutches. My legs are still bent, but if I continue to improve as I have been deing for the last two or three weeks I think I shall soon be as well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afflicted, and would invite all to call upon me, and I will give them all the information on the subject in regard to my case.

NEFFSVILLE, June 5, 1863.

Mr. B. Mishilde—Sir: About Christmast, my yonogest deughter, a girl of fifteen years of sge, was attacked with paralysis, which confined her to her bed, where ahe lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, ahe grew daily worse and worse. Ehe was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fail over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 28th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try vour Herb Bitters. I took a bottle out home with me, and my danghter commenced taking it, the has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; the can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precue it. You may use this say our please, for I think that so good a medicine should be known everywhere.

Whatterfa Furnace, May 22, 1863.

Manierta Fuenace, May 22, 1863.

Benj. Missies. Esq.—Dear Sir: Please send me by Pennsylvania Raliread % gross your celebrated Bitters as soon as postble. I am aimset out of it, and I find it to be the very best Bitters manufactured. I could procure you hair a dozen certificates if necessary: but knowing the Bitters will do what is represented, I think all that is required is the cash for the Bitters.

Yours truly, J. W. BEAR, Arent for R. Mishler.

Friend Mixhler—Dear Sir: I wish you to send me immediately, one or two cases of your Bitters. I gave a bottle to Mes. Neavin, a lady that had been troubled with the Dumb Ague, and had taken so much quinine that her appetite had left, and was so much troubled with pain in all her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise enough. Yours, respectfully,

CHAS. P. MILLER.

LANCASTER, May 27th, 1863.

B. Mixhler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrobas for three months, and I suffered so much with pain and graw so weak, that the doctors had simest despaired of my getting well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six months; I had Rheumattam when I went there, and was unable to do anything. One of the immates of the Hospital give mo three doces of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do resily think I could not have lived this long had I not got the Bitters I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bittershave been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well a quainted with my sufferings since I have been in the Hospital.

B. Mishler—Dear Sir: I had pain in my head, side and back, in connexion with chills and fever, which, alarmed me very much from the fact of my having a very severe attack of Typhoid Fever, while connected with the Army. I bought one bottle of your Herb Sitters, and when I got home I took two doese of it which relisered me almost immediately. I am taking two doese per day now and feel as well as ever I did. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard your Bitters recommended so highly by different ones, I concluded to try it, and such are the facts of the benefits I received by using your Bitters. I am stopping at the Franklin House, North Queen street, in this city, and will be glad to testify to the above, to any one calling at the aforementioned place, or at Coateaville, Chester county, which is my permanent residence. B. Mishler—Dear Sir: This is to certify that I have been attending fire in a bake oven for thirty two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a cause and see where I go. I was digging garden to day and could see the worms crawling about in the dug up earth. Respectfully,

In the month of Decamber, 1868, the undersigned for the first time offered for sale to the public Pr. J. Bovee Doda's Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

These Bitters for the cure of Weak Stomachs, General
Babilly and for Buriffers and West. These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing a fine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without then, as they are revivifying in their action.

THIMSE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who me y use them. For

The expense of applying it is trifling, as an ordinary Roo cessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquers with which the country is flooded.

These Bitters not only Cura, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Belog entirely innocent and harmiese, they may be given freely to Children and Infants with impunity.

Physicians, Clerymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

IN ALL AFFECTIONS OF THE HEAD, SICK HEAD-ACHE, OR NERVOUS HEADACHE, DR. DODS' IMPERIAL WINE BITTERS WILL BE FOUND TO BE MOST SALUTARY AND EFFICACIOUS. FEMALE 8.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.
