There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Norvousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. GREAT LITERARY AND PICTORIAL YEAR.
The publisher of Godey's Lady's Book, thankful to that public which has, anabled him to publish an engazine for the last thirty-three years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country.

lar authoress in this country—

MARION HARLAND,

Authoress of "Alone," "Hidden Path," "Moss Side,"

"Nemesia," and "Miriam,"

who will furnish a story for every number of the Lady's

Rook for 1863. This alone will place the Lady's Rook in a passed more than two gallons of water in twenty-tour hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my iterary point of view far ahead of any other magazine darion Harland writes for no other publication. Our other avorite writers will all continue to furnish article broughout the year. THE BEST LADY'S MAGAZINE IN THE WORLD, AND THE CHEAPEST.

THE LITERATURE is of that kind that can be read aloud in the family and the clergy in immense numbers are subscribers f Book. Book.

Ww. H. Gring & Co.:

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in hor limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmeoornhea, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about flour weeks, and we are happy to say that it has produced a permanent cure.

Dear Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see fit in regard to the medicine, as I have entire confidence in its efficacy Yours truly,

For the speedy and effectual relief and cure of all REXUAL DISEASES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual naiseous taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater oncentration, the dose is much reduced. It may be relied on as the best mode for the administration of these remedies in the large class of diseases of both sexes to which they are applicable.

ing certificate, selected from hundreds received weekly. It speaks for itself:

NEFFSVILLE, June 5, 1803.

Ma. B. Mishler—Sir: About Christmast, my youngest daughter, a girl of fifteen years of sge, was attacked with paralysis, which confined her to her bed, where ahe lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she graw daily worse and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 28th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I coucladed to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common' chair, and can stand on her feet, without any pain; she can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to procure it. You may use this as you please, for I think that so good a medicine should be known everywhere.

With gratitude I remain, Sir,

The does should vary with the sereity of the disease, from twenty drops to a tempoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Jonattution Water, as above directed.

I am almost out of it, and I find it to be the very best Bitters manufactured. PHILADELPHA, May 27th, 1863.

Pricial Mishler—Dear Sir: I wish you to send me im mediately, one or two cases of your Bitters. I gave a bot tle to Mrs. Neavin, a lady that had been troubled with the Dumb Ague, and had taken so much quinine that her appetite had left, and was so much troubled with pain in al her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties o her household; in fact she can not give it praise enough her household; in fact she can not give it praise enough Yours, respectfully,

used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise enough. Yours, respectfully,

Lancaster, May 27th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrockes, for three months, and I suffered so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six months; I had Rhemmatism when I went there, and was unable to do anything. One of the immates of the Hospital give me three dores of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bitters have been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital.

Prouse May 25th, 1863.

Prouse, May 25th, 1868.

Mr. B. Mishler: This is to certify, that I have had an attack of the Gravel for about six months, and sometimes with a good bit of pair, at last it become so that I had bo rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bottles of it, and I must say that it relieved me entirely of my pain.

Respectfully yours, JNO. SCHOOK.

LANCASTER CITY, May 7th, 1863.

Mr. B. Mishler—Sir: I have been subject to inward weakness and pain in the small of the back for the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am almost well and by using a few more bottles expect to be as hearty as formerly. I recommend it to these of my sex similarly afflicted.

Meant Jor, May 13, 1863.

Mr. B. Mishler: My wife having been afflicted with ex-

or no rener. I then had recourse to Mishler's Bitters; she took half a bottle, and the pains entirely left her. I took the remainder myself; before taking it I was overcome with droweiness whenever I would sit down to read or write, and would fail asleep, but since I took the Bitters I feel as if I could "leap over a wall and run through it troop."

GEO. DRUCKENMILLER.

Mr. B. Mishler—Dear Sir: About three years ago there was a Lump or Swelling came on the side of my neck or jaw, which continued to enlarge in size without opening. About two years ago, I draw it open with a poultice. I commenced to use your Bitters about three months ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people. I am this day a sound man, and feel nothing of it at all; it has left no mark or trace of it behind, all has gone away.

B. Mishler—Dear Sir: I had pain in my head, side and back, in connexion with chills and fever, which alarmed me very much from the fact of my having a very severe attack of Typhoid Fever, while connected with the Army. I bought one bottle of your Harb Bitters, and when I got home I took two doses of it which relieved me almost immediately. I am taking two doses por day now and feel as well as ever I did. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard your Bitters recommended so highly by different ones, I concluded to try it, and such are the facts of the benefits I received by using your Bitters. I am stopping at the Franklin House, North Queen street, in this city, and will be glad to testify to the above, to any one calling at the aforementioned place, or at Coatewille, Chester county, which is my permanent residence. B. Mishler—Dear Sir: This is to certify that I have been attending fire in a bake oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a cane and see where I go. I was digging garden to day and could see the worms crawling about in the dug up earth. Respectfully,

MORE TESTIMONY.

LANCASTER, June 25th, 1863.

MR. B. MISHLER—Dear Sir: My daughter, a young girl about 12 years of age, caught a cold in her eyes early last spring, which afflicted her so much that I was afraid she would lose the sight of one of her eyes. She finally got so bad that it was found necessary to keep her continually in a dark room, allowing not even a candle to be lit. About three weeks ago I was induced to give her a bottle of your bitters, and am happy to say that one bottle cured her so completely that she is now able to go to school.

TO THE PEOPLE OF THE UNITED STATES.

In the month of December, 1858, the undersigned for the first time offered for ease to the public Pr. J. Boves Dody Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action. THESE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and, in this respect are doubly valuable to the person who ms y use them. For Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic

constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These litters not only Cure, but Preyent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Eavers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

IN ALL AFFECTIONS OF THE HEAD, SICK HEAD—ACHE, OR NERVOUS HEADACHE, DR. DODS' IM—PERIAL WINE BITTEES WILL BE FOUND TO BE MOST SALUTARY AND EFFIOACIOUS. PEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS IMPERIAL WINE BITTERIA.

where the hair is loosening and thinning, it will give strength and vigor to the;roots, and restore the growth to those parts which have become hald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their thair restored by the use of this Invigorator, when all other preparations had failed. L. M. h in his possession letters innumerable testifying to tabove facts, from persons of the highest respectability, will effectually prevent the hair from turning gray un the latest period of life; and in cases where the hair ha already changed its color the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the tollet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it afford in dressing the hair, which, when moist with the Invigorator or can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being ONLY TWENTY-FIVE CENTS per bottle, to be had at all respectable druggists and performers.

L. MILLER would call the attention of Parents and Guardisns to the use of his Invigorator, in cases where the childrens Hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any imperities that may have become connected with the Easth foundation for a good head of hair, as it removes any imperities that may have become connected with the Easth other control of the child, and the future appearance of the Hair.
