HENRY NEIL,

Superintendent. ODE Y'S LADY'S BOOK FOR 1863.

U GREAT LITERABY AND PICTORIAL YBAR.

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last thirty-three years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country—

MARION HARLAND,

Authoress of "Alone," "Hidden Path," "Moss Side," "Nomesia," and "Miriam," who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far shead of any other magazine.

Book for 1863. This alone will place the Lady's Book in a literary point of view for ahead of any other magazine, Marlon Harland writes for no other publication. Our other favorite writers will all continue to furnish article throughout the vass. throughout the year.
THE BEST LADY'S MAGAZINE IN THE WORLD, AND
THE CHEAPEST.

THE LITERATURE THE LITERATURE s of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the look. is all original, and would cost 25 conts (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

All efforts to rival us in this have cassed, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

wonderfully large circulation enables us to give them.
Other magazines caunot afford it. We never spare money
when the public can be benefited.

OUR WOOD ENGRAVINGS, of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IM ITATIONS.

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine. Everything that is useful or ornamental in a house can be found in Godey.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physiciaus call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. THE MOST WONDERFUL CASE ON RECORD.

READ! READ!! READ!! BRAD!!!

The remarkable virtues of Mishler's Hayb Rithers have again been brought to the tast, and passed through the ordest triumphantly. The following carificate has been received, and if there are any persons skeptical as to its truth; filty can satisfy themselves by calling upon the young man who gives it.—He may be found during the young man who gives it.—He may be found during the King street, where he keeps a take stand. He will give all information that may be desired in regard to his case. But read the following:

CHAPTIONER OF SONE S. RINHEAS.

I hereby certify that I have been afflicted ifth white swelling and scrotlous outbreaks for a perion of over four years. My case was so bed that I could not walk without the aid of crutches. My left leg was much swollen and there were three crujtons at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced no relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the aid of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks. I think I shall soon be as well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afficiency, and would lavite all to call upon me, and I will give them all the information on the subject in regard to my case.

Nevistilla, June 5, 1863.

Mr. B. Mishler—Sir: About Christmast, my youngest daughter, a girl of fifteen years of age, was stacked with paralysis, which confuned her to her bed, where ahe lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, abe grow daily worse and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Hanry Minnich, I came to see you, and, from what you told me, I concluded to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; the can raise her hands to her head, and remains out of bed meet of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precure it. You may use this as you please, for I think that so good a medicine should be known everywhere.

I am almost out of it, and I find it to be the very best Bitters manufactured. I could procure you half a dozen certificates if necessary. but knowing the Bitters will do what is represented, I think all that is required is the cash for the Bitters.

PHILADELPHIA, May 27th, 1863.

Friend Mishler—Dear Sir: I wish you to send me immediately, one or two cases of your Blitters. I gave a bottle to Mrs. Neavin, a lady that had been troubled with the Dumb Ague, and had taken so much quinine that her appetite had left, and was so much troubled with pain in all her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise enough. Yours, respectfully, CHAS. P. MILLER.

Lancaster, May 27th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrohox, for three months, and I suffered so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had simest given up myself. I have been at the Lancaster Hospital for six months; I had Rheumatism when I went there, and was unable to do anything. One of the inmates of the Hospital give me three doses of your Bitters, and afterwards I foit much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bitters have been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital.

PROUKA, May 25th, 1863.

Proura, May 25th, 1868.

Mr. B. Mishler: This is to certify, that I have had an attack of the Gravel for about six months, and sometimes with a good bit of pain; at last it become so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bottles of it, and I must say that it relieved me article of my start of the say of the

LANCASTER CITY, May 7th, 1863.

Mr. B. Mishler—Sir: I have been subject to Inward weakness and pain in the small of the back for the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am almost well. and by using a few more bottles expect to be as hearty as formerly. I recommend it to those of my say aministry, stilleted.

Mr. B. Mishler: My wife having been afflicted with ex-uclating pain in her hands and feet, several of our most or no relief. I then had recourse to Mishler's Bitters; she took half a bottle, and the pains entirely left her. I took the remainder myself; before taking it I was overcome with drowsiness whenever I would sit down to read or write, and would fail asleep, but since I took the Bitters, I feel as if I could "leap over a wall and run through a troop."

GEO. DRUCKENMILLER.

B. Mishler—Dear Nr: This is to certify that I have been attending fire in a bake oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a cane and see where I go. I was digging garden to day and could see the worms crawling about in the day up earth. Respectfully,

MORE TESTIMONY.

LANCASTER, June 25th, 1863.

MR. B. MISHLER—Dear Sir: My daughter, a young girl about 12 years of age, caught a cold in her oyes early last spring, which afflicted her so much that I was afraid she would lose the sight of one of her eyes. She finally get to bat that it was found necessary to keep her continually in a dark room, allowing not even a candle to be lit. About three weeks ago I was induced to give her a bottle or your bitters, and am happy to say that one bottle cured her so completely that she is now able to go to school.
