WM. N. AMER. DANVILLE, Pa., June 2, 1862.

Dr. Wat. H. Gregg—Dear Sir: In February, 1861, I was afflicted with the sugar diabetes, and for five months I peased more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the bighest manner.

My wife, who was star-ked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrhe, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians Prould find, who attended her about nine months, and while she was under his care she did not suffer quite ass much pair; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water and the site of the state of the constitution water, and the server of the constitution water for about four weeks, and we are happy to say that it has produced a permanent cire.

The remarkable witnes of Mishler's Herb Bilters have again been brought to the test, and pa-sed through the ordeal triumphantly. The following certificate has been received, and it there are any pursons skeptical as to its truth, they can salisfy themselves by calling upon the young man who gives it. He may be found during the day at the Southwest corner of Centre Equare and West King street, where he keeps a case stamt, He will give all information that may be desired in regard to his case. But read the following:

I hereby cartify that I have been afflicted /ith white swelling and scroulous outbreaks for a perion of over four years. My case was so bad that I could not walk without the aid of crutches. My left leg was much swollen and there were three cruptions at the knee, one at the hip, and one at the breast. I tried various *temedies, and I had the advice of several physicians, but experienced no relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am most walled to walk without the aid of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks, I think I shall soon be as well as sever. My general health thas also improved; and is better now than it has been for years. I make this statement for the benefit of the sflicted, and would invite all to call upon me, and I will give them all the information on the subject in regard to my case.

NEVENULL, June 5, 1863.

MR. B. MISHLER—Sir: About Christmast, my youngest daughter, a girl of fifteen years of sec, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she grew daily worse and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain: she can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effectsef your medicine that there is nothing I would not give to precure it. You may use this as you please, for I think that so good a medicine should be known everywhere.

Both diseases arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be speedily cured by the Constitution Water.

LANGASTE, May Zith, 1863.

B. Mishler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrobea, for three months, and I suffered so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six months; I had Rheumatiam when I wont there, and was unable to do anything. One of the inmates of the Hospital give me three doces of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for I. I do really think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bitters have been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferinge since I have been in the Hospital.

JAMES KENEDY. This disease depends upon an inflammation of mneous lining of the vagina and womb. It is in all cases accom-panied by severe pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoon-ful of the medicine, mixed with a half-pint of soft water, morning and evening. IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KINNEYS, AND
OATARRA OF THE BLADDER, STRANGURY AND BURNING, OR PAINFUL UKINATING. For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most argent symptoms.

Are you troubled with that distressing pain in the small of the back and through the bips? A teaspoonful a day of Constitution Water will relieve you like magic.

Respectfully,
JAMES KENEDY. Mr. B. Mishler: This is to certify, that I have had an attack of the Gravel for about six months, and sometimes with a good bit of pain; at last it become so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give its trial. I have used two bottles of it, and I must say that it relieved me entirely of my pain. Respectfully yours.

Mr. B. Mishler—Sir: I have been subject to inward weakness and pain in the small of the back for the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am almost well, and by using a few more bottles expect to be as hearty as formerly. I recommend it to those of my sex similarly afflicted.

Respectfully yours, HARRIET ORR.

Mr. B. Mishler—Dear Sir: About three years ago there was a Lump or Swelling came on the side of my neck or Jaw, which continued to enlarge in size without opening. About two years ago, I drew it open with a poultie. I commenced to use your Bitters about three months ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people. I am this day a sound man, and feel mothing of it at all; it has left no mark or trace of it behind, all has gone away.

The above can be seen at Heinitsh's Drug Store, in East King street, Laucaster.

Langaster, May 6, 1863.

B. Mishler—Dear Sir: I had pain in my head, side and back, in connexion with chills and fever, which alarmed me very much from the fact of my having a very severe attack of Typhold Fever, while connected with the Army, I bought one bottle of your Herb Bitters, and when I got home I took two doses of it which relieved me almost immediately. I am taking two doses por day now and feel as well as ever I did. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard your Bitters recommended so highly by different ones, I concluded to try it, and such are the facts of the benefits I received by using your Bitters. I am stopping at the Franklin House, North Queen street, in this city, and will be glad to testify to the above, to any one calling at the aforementioned place, or at Coatesville, Chester county, which is my permanent residence.

DR. WM. II. GREGG:

Dear Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see fit in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG. which is my permanent resuonce.

Lancaster. April 20th, 1862.

B. Mishler—Dear Sir: This is to certify that I have been attending fire in a bake oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a cane and see where I go. I was digging garden to-day and could see the worms crawling about in the dug up earth.

LANCASTER, June 25th, 1863.

Mg. B. Mishler—Dear Sir: My daughter, a young girl about 12 years of age, caught a cold in her eyes early last spring, which afflicted her so much that I was afraid she would lose the sight of one of her eyes. She finally got so bad that it was found necessary to keep her continually in a dark room, allowing not even a candle to be lit. About three weeks ago I was induced to give her a bottle of your bitters, and am happy to say that one bottle cared her so completely that she is now able to go to school.

to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician. S. ALLGEIER.

The above are but a very small number of the certificates received. Any one doubting the genuinenes of any certificate published is requested to call and examine the original.

These Bitters are not recommended as a beverage, but they are recommended for their medicinal virtues. They are a sure cure for Dysepsis, Liver Complaints, Gravel, Fever and Ague, Weak Knees, Palu in the Limbs, and all diseases arising from a deranged state of the Stomach or impurity of the blood.

TO THE LADIES!

In the month of December, 1858, the undersigned for the first time offered for sale to the public Pr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trital of

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine Itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give

a nine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to females, where a Tonic is required to atrengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

TRI-SER BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE,
and in this respect are doubly valuable to the person who mef use them. For MICIPIENT CONSUMPTION,

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fall to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.
