These Bitters for the cure of Weak Stomachs, General Debility, and for Parifying and Enriching the Biood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine Itself is of a vory superior quality, being about one-third stronger than other wines; warning and invigor-ating the whole system from the head to the feet. THESE ARE FACTS ENOUGH.

There is no class of discases that produces such exhaust-ing effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passagee, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.
