These improvements in addition to the large hall 100 feet by 50 feet, afford room for a great number of articles.— From present indications the room will all be required, for we are informed that the news n all parts of the State are most encouraging. There is a promise of a steam fire engine to be upon the grounds, which will force water daily for the supply of the Fair, and also test its full capacity at throwing water. Steam power will be procured to propel machinery. The track is pronounced by horsemen one the best half mile in the State. Norristown is accessible by railroads to every portion of the sions and the Pennsylvania Railroad, Pittsburg, Fort Wayne & Chicago, the Cumberland Valley, and the Phil'a. Germantown and Norristown have all agreed to carry freight free subject to certain conditions. The same is expected to be effected with other important roads. The premiums in the aggregate amount to about \$7000, and are the most liberal in every department and offered for almost every conceivable article. For catague of Premiums and particulars address
