My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrhe, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quito as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and

COMPOUND EXTRACT OF

CUBEBS AND COPAIBA.

This preparation is particularly recommended to the MEDICAL PROFESSION and the PUBLIC, as combining, in the most convenient and efficacious form, the well-established virtues and properties of Gubebs and Oopalba. For the speedy and effectual relief and cure of all REXUAL DIEEASES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater on-centration, the dose is much reduced. It may be relied on as the best mode for the administration of these remedies in the large class of diseases of both sexes to which they are applicable.

THE MOST WONDERFUL CARE ON RECORD.

READ! READ!!

The remarkable virtues of Mishler's Herb Bitters have again been brought to the test, and parsed through the ordeal triumphantly. The following certificate has been received, and if there are any persons skeptical as to its truth, they can satisfy themselves by calling upon the young man who gives it. He may be found during the day at the Southwest corner of Centre Square and West Klug street, where he keeps a cahe stand. He will give all information that may be desired in regard to his case. But read the following:

CREUNCATH OF JOHN S. RINEMART.

I hereby certify that I have been afflicted fith white swelling and scrofulous outbreaks for a perion of over four years. My case was so bad that I could not walk without the aid of crutches. My left leg was much swollen and there were three eruptions at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced no relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the aid of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks. I think I shall soon be as well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefits of the afflicted, and would invite all to call upon me, and I will give them all the information on the subject in regard to my case.

NEFFYLLE, June 5, 1863.

Mr. B. Mighler—Sir: About Christmast, my youngest daughter, a girl of fifteen years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpiess and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she graw daily worse and worse. She was so belpiess that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fail over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; she can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to procure it. You may use this as you please, for I think that so good a medicine should be known everywhere.

With grattude I remain, Sir,

DANIEL KEEVER. STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY DISCHARGES AFTER URINATING. Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The dose should vary with the sereity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed.

That disease known as FALLING OF THE WOMB, which That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Mamory, Wakefulness, Flashes of Heat, Languor Lassitude, and Dimness of Vision. Agent for B. Mishler.

PHILADRIPHIA, May 27th, 1863.

Friend Mishler—Dear Sir: I wish you to send me immediately, one or two cases of your Bitters. I gave a bot tile to Mrs. Neavin, a lady that had been troubled with the Dumb Ague, and had taken so much quinine that her appetite had left, and was so much troubled with pain in all her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise enough. Yours, respectfully,

CHAS. P. MILLER.

Lancaster, May 27th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been suffaring with what the doctors call Chronic Diarrohoes, for three months, and I suffered so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six months; I had Rheumatism when I went there, and was unable to do anything. One of the inmates of the Hospital give me three doces of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bitters have been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital.

PROURA, May 25th, 1863. This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and chrough the bips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a balf-pint of soft water, mapping and examing. IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE BLADDER, STRANGURY AND BURNING, OR PAINFUL UKINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most argent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of Constitution Water will relieve you like magic. Proura, May 28th, 1868.

Afr. B. Mishler: This is to certify, that I have had an attack of the Gravel for about six months, and sometimes with a good bit of pain; at last it becomes so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bottles of it, and I must say that it relieved me entirely of my pain.

Respectfully yours, JNO. SCHOCK.

it has no equal in relieving the most distressing symptoms. Also, Headsche, Heartburn, Acid Stomach, Vomiting Food, &c. Take as teaspoonful after dinner. The does in all cases may be increased if desired, but should be done Mr. B. Mishler—Sir: I have been subject to inward weakness and pain in the small of the back for the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am almost well, and by using a few more bottles expect to be as hearty as formerly. I recommend it to those of my sex similarly afficied.

Respectfully yours, HARRIET ORR. have long since given up the use of buchn, cubebs, and juniper in the treatment of these diseases, and only use them for want of a better remedy.

mend it to those of my sex similarly afflicted.

Respectfully yours,

MOUNT JOT, May 13, 1863.

Mr. B. Mithler: My wife having been afflicted with excruciating pain in her hands and feet, several of our most prominent physicians attended her but could give her little or no relief. I then had necourse to Mishler's Bitters; she took half a bottle, and the pains entirely left her. I took the remainder myself; before taking it I was overcome with drowsiness whenever I would sit down to read or write, and would fall saleop, but since I took the Bitters, I feel as if I could "leap over a wall and ron through a troop."

REAMSTOWN, May 4th, 1863.

Mr. B. Mishler—Dear Sir: About three years ago there was a Lump or Swelling rame on the side of my neck or jaw, which continued to enlarge in size without opening. About two years ago, I drew it open with a ponitice. I commenced to use your Bitters about three months ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people. I am this day a sound man, and feel nothing of it at all; it has left no mark or trace of it behind, all has gone away.

I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

B. Mishler—Dear Sir: I had pain in my head, side and back, in connexion with chills and fever, which alarmed me very much from the fact of my having a very severe attack of Typhoid Fever, while connected with the Army. I bought one bottle of your Herb Bitters, and when I got home I took two doses of it which relieved me almost immediately. I am taking two doses per day now and for the second severe when the home I took two doses of it which relieved me almost immediately. I am taking two doses per day now and feel
as well as ever I did. Not being a clitzen of this place, I
just happened to be here selling Patent Pumps, and heard
your Bitters recommended so highly by different ones, I
concluded to try it, and such are the facts of the benefits I
received by using your Bitters. I am stopping at the
Franklin House, North Queen street, in this city, and will
be glad to testify to the above, to any one calling at the
aforementioned place, or at Coatesville, Chester county,
which is my permanent residence. ENOCH DILLY AS. operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

MR. B. MISHIER—Dear Sir: My daughter, a young girl about 12 years of age, caught a cold in her eyes early last spring, which afflicted her so much that I was afraid she would lose the sight one of her eyes. She finally got so bad that it was found necessary to keep her continually in a dark room, allowing not even a candle to be lit. About three weeks ago I was induced to give her a bottle of your bitters, and am happy to say that one bottle cured her so completely that she is now able to go to school.
