I pro-cured the attendance of our medical men in the neighbor-hood, but, in spite of their best efforts, ahe grew daily worse and worse. She was so helpless that it was impossi-ble for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fail over backwards, or lie on one side or the other, and indeed had no strength or power or conicit over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see yon, and, from what you told me, I concluded to try your Herb Bitters. Minler-Dear Sir: This is to certify that I have been suffering with what the doctors had almost despaired of my getting well, and indeed I had almost given up my-self. I have been a the Lancater Hospital for six months; I had Rheumatism when I went there, and was unable to do anything. One of the immutes of the Hospital give me troes does of your Bitters, and afterwards I fell much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved thomselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this loog had I not got the Bitters. I also had Gravel, which has if I am going to get sound and well. Your Bitters have proved thomselves to be a cure for me, and I am thankful for it. I do really this I could not have lived this loog had I not got the Bitters. I also had Gravel, which has troubid me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you asy in that way. Indeed the Bitters have been a God's blessing to me, and have restored me to prety good health. Mr. A Fairor can tell all about it, as he is well arguainted with my enferings since I have been in the Hospital. Mr. R. Wickler. This is to certify that 1805. t can be applied to new and old Roofs of all kinds, steep or flat, and to Shinge Roofs without removing the Shingles. THE COST IS ONLY ABOUT ONE-THIRD THAT OF TIN, AND IT IS TWICE AS DURABLE.

Prouta, May 25th, 1863. Mr. B. Mishler: This is to certify, that I have had an attack of the Gravel for about six mooths, and sometimes with a good bit of pain; at last it becomes ot hat I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bottles of It, and I must say that it relieved me entirely of my pain. Respectfully yours, JNO. SCHOCK.
