That disease known as FALLING OF THE WOME, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by charp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine. cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine
cases out of ten the doctor does not really know whether
the symptoms are the disease, or the disease the symptoms.
We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired

This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and through the hips. Dr. Wm. H. Gurog—Deur Sir: In February, 1881, I was afflicted with the sugar diabetes, and for fire months I passed more than two galions of water in tweuty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fitty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attacked with Falling of the Womb, Dysmenorrhm, and Irritation of the Biadder. I called a physician, who attended her about three menths, whon the left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable," For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first doss seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

Dear Sir: I have for several years, been afflicted with that troublesome and dangarous disease—Gravel—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see fit in regard to the medicine, as I have entire confidence in its efficacy.

The remarkable virtues of Mishler's Herb Bitters have again been brought to the test, and praced through the ordeal triumphantly. The following certificate has been received, and if there are any persons skepfical as to its truth, they can satisfy themselves by calling upon the young man who gives it. information that may be desired in regard to his case. But read the following:

I hereby certify that I have been afflicted the white swelling and scrotfalous outbreaks for a perion of over four years. My case was so bad that I could not walk without the sid of crutches. My left leg was much swollen and there were three eruptions at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced no relief. About four weeks sgo I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the aid of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks. I think I shall soon be as well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afflicted, and would invite all to call upon me, and I will give them all the information on the subject in regard to my case.

MR. B. MISHLER—Sir: About Christmast, my youngest daughter, a girl of fifteen years of sec, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she grew daily worse and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; she can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precure it. You may use this say you please, for I think that so good a medicine should be known everywhere.

Will gratifued I remain, Sir,

Friend Mishler—Dear Sir: I wish you to send me immediately, one or two cases of your Bitters. I gave a bottle to Mrs. Neavin, a lady that had been troubled with the Dumb Ague, and had taken so much quinine that her laptite had left, and was so much troubled with pain in all her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise enough.

B. Miniler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrohes, for three months, and I suffered so much with pain and grew so weak, that the doctors had almost despaired of my gettingwell, and indeed I had almost given up my self. I have been at the Laucaster Hospital for six months; I had Rheumatism when I went there, and was unable to do anything. One of the inmates of the Hospital give me three dozes of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do resily think I could not have lived this long had I not got the Bitters I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bittershave been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital.

I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bottles of it, and I must say that it relieved me entirely of my pain. Respectfully yors, JNO. SCHOOK.

LANCASTER CITY, May 7th, 1863.

Mr. B. Mishler—Sir: I have been subject to inward weakness and pain in the small of the back for the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am almost well, and by using a few more bottles expect to be as hearty as formerly. I recommend it to those of my sex similarly afflicted.

Mr. B. Michler: My wife having been afflicted with excruciating pain in her hands and feet, several of our mort prominent physicians attended her but could give her little or no rellef. I then had recourse to Mishler's Bitters; she took half a bottle, and the pains entirely left her. I took the remainder myself; before taking it I way overcome with drowsiness whenever I would sit down to read or write, and would fall asleep, but since I took the Bitters, I feel as if I could "leap over a wall and run through roop."

Mr. B. Mishler—Dear Sir: About three years ago there was a Lump or Swelling came on the side of my neck or jaw, which continued to cularge in size without opening. About two years ago, I drew it to pen with a poulitice. I commenced to use your Bitters about three months ago, which has divant he swelling all news. About two years age, and there about three months ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people. B. Mishler—Dear Sir: I had pain in my head, side and back, la connexion with chilis and fever, which alarmed me very much from the fact of my having a very severe attack of Typhoid Fever, while connected with the Army. I bought one bottle of your Herb Bitters, and when I got home I took two doses of it which relieved me almost immediately. I am taking two doses per day now and feel as well as ever I did. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard your Bitters recommended so highly by different ones. I concluded to try it, and such are the facts of the benefits I received by using your Bitters. I am stopping at the Franklin House, North Queen street, in this city, and will be glad to testify to the above, to any one calling at the aforementioned place, or at Costesville, Chester county, which is my permanent residence. B. Michler—Dear Sir: This is to certify that I have been attending fire in a bake oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a caue and see where I go. I was digging garden to day and could see the worms crawling about in the dug up earth.

TO THE PEOPLE OF THE UNITED STATES.

In the mouth of December, 1858, the undersigned for the first time offered for sale to the public Pr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

These Bitters for the cure of Weak Stomachs, General to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculnar to Femiles, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without then, as they are revivifying in their action.

TH'SE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE,
and in this respect are doubly valuable to the person who ms me them. For INCIPIENT CONSUMPTION,

This article has been thoroughly tested in New York city and all parts of the United States, Canada, West Indies and Central and South America, on buildings of all kinds, sych as Factories, Foundries. Churches, Raliroad Depots, Cars, and on Public Buildings generally, Government Isulidings, &c., by the principal Builders, Architects and uniters, during the past four years, and has proved to be the Cheapest and most durable Roofing in use; it is in very respect a Fire, Water, Weather and Time Proof covering for Roofs of all kinds.

This is the only material manufactured in the United States which combines the very desirable properties of Elasticity and Durability, which are universally acknowledged to be possessed by Gutta Percha and India Rubber.

NO HEAT IS REQUIRED IN MAKING APPLICATION. For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospol, Lawyers, and all public speakers—for Book-Keepers, Tailors, Saamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is fooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmiess, they may be given freely to Children and Infafits with impunity.

Physicians, Clergumen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially ald to banishing Drunkenness and Disease.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land-should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOYEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilfing labysician who has used them successfully in his practice for the last twenty-rive years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Boyee Dods' Celebrated Imperial Wire Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOYEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous missma is created, these bitters should be used every morning before breakfast.
