A LETTER FROM GOV. SEYMOUR.

We find the following letter from Hon. HORATIO SEYMOUR, written in reply to an invitation to address a Democratic meeting at Milwaukee, in our Western exchanges. It embodies a clear statement of the issues before the people:

GENTLEMEN:—Nothing would have afforded me greater pleasure, had circumstances permitted, than to have accepted your invitation to be present at the Mass Convention of the Democracy of Milwaukee on the 25th inst.

In the gloomy night which overshadows the nation, there is no hope but in the restoration to power of the Democratic conservative party. The fanatical leaders, who precipitated this bloody conflict by underrating the South, its resources and military ability, who scoffed at the Crittenden compromise and all other efforts to avert civil war—who rejected the measures of the Peace Convention, and who, after war was forced upon us, have persistently created obstacles to its vigorous and successful prosecution, by perverting it from its original purpose, the restoration of the Union, as solemnly avowed in our National Congress, into a hopeless emancipation crusade, and by driving from the army through abolition intrigues, Gen. McClellan and other officers of military capacity, to make place for political adventurers—have by their entire policy exhibited alike their incapacity to carry on war or to inaugurate peace.

Failing to crush the Southern rebellion, their entire energies seem now directed to the destruction of popular rights and personal freedom throughout the North. Safeguards of liberty, wrested from despotism after a struggle of centuries, are by them ignored or swept away. The substitution of an irresponsible military tyranny in place of law, the suppression of free speech—the muzzling of the press, the midnight seizure, the mock trial and illegal banishment of a distinguished citizen of Ohio, and that too in a loyal district, where the civil law is in unobstructed operation—are among the mad acts by which all constitutional government and every principle dear to freemen, are sought to be crushed and destroyed.

While we freely expend blood and treasure to overcome Southern traitors, we must with equal spirit and similar sacrifices resist such treasonable usurpation at the North. The latter formidable and dangerous, because secret and insidious in its advance, must be expelled at all hazards.

I trust the voice of the Wisconsin Democracy will utter no uncertain sound in this crisis of our nation's existence.

I am very respectfully and truly yours, &c.,
HORATIO SEYMOUR.

THE SOLDIER'S FRIEND.

The Carlisle *Volunteer*—Extra—October 5, contains, in the shape of a soldier's affidavit, strong evidence of the warm friendship which "Shoddy" CURTIN entertains for the war-worn private. The *Volunteer* says:

The following affidavit of our brave young townsman, Mr. William Walton, who served faithfully in the army of the Potomac for a year and a half, and who was honorably discharged on account of a severe wound he received in battle, will be read with indignation by patriotic men of all parties, and particularly by our brave soldiers who have been falsely told that *Shoddy* Curtin is the "soldier's friend." Had Walton been a *black* soldier—"an American citizen of African descent"—or had he been a shoddy contractor, or a "loyal" thief, the favor he asked would have been cheerfully granted; but he is a white man, and therefore left the Executive chamber branded by Gov. Curtin "A LOAFER." And this is the Curtin who is paraded before the people as the "soldier's friend!" But to the affidavit of Mr. Walton:

Cumberland County, ss:

Personally appeared before me, M. Holcomb a Justice of the Peace in and for Cumberland county, William Walton, who upon his solemn oath says, that I (Walton) belonged to the army of the United States, 11th Pa. Vol., Company A, for the term of eighteen months, which I served. On my way home to Carlisle, I lost forty-five dollars in Baltimore, and had money enough left to bring me to Harrisburg, Pa. I called on Andrew G. Curtin, Governor of the State of Pennsylvania, with my discharge, to get transportation home to Carlisle. When I laid in my complaint to Andrew G. Curtin, he said "*get out of my office; I want no loafing here; if you want to go home, go on a freight train,*" and then I went to Bridgeport, and my brother gave me money to go home.

WILLIAM WALTON,

Sworn before me the 3d day of October, 1863. M. HOLCOMB, J. P.

MORE REPUBLICAN TESTIMONY.

We have testimony from another of Curtin's own organs, the Gettysburg *Star and Banner*, to prove his character and repudiate his claims for re-election. On the 31st of May, 1861, that paper said:

The man who makes the present effort of the people to preserve the liberties fought for, and achieved by our fathers, an occasion to rob our soldiers, and enrich himself, IS AN ENEMY WHOM IT WOULD BE CHARITY TO HANG. We care not who is the guilty party. He who defrauds our brave soldiers is worse than a traitor. We do not know who is immediately to blame, but this we know, THAT GOV CURTIN CANNOT ESCAPE CENSURE. Either he is implicated with the public thieves, and receives of the plunder, or he is guilty of appointing men to office who deserve the execration of all good citizens. He may take which horn of the dilemma he may please. * * * * Many voted for Governor Curtin to avoid corruption, AND HAVE THEY LINKED THEMSELVES TO ROTTENNESS? If the interests of this country are bound up with the success of republican principles, as enunciated in the Chicago platform, as we believe they are, it becomes the party to purge its ranks of THESE VILE MEN, and let the STIGMA OF THEIR VILLAINY rest on them alone, and not on the party. AWAY WITH TRAITORS AND MEN WHO SPECULATE ON PATRIOTISM.

HOW THE MONEY GOES.

The Johnstown *Democrat* says that an army contractor who was formerly a resident of Cambria county, a few days ago exhibited to a friend in Harrisburg, a Government bond for one hundred and ninety thousand dollars, and another for nine thousand. He stated that he had assigned government bonds to the amount of one hundred thousand dollars to each of his children. By his own showing he is now a millionaire. This is the more notable from the fact that two years ago he was not worth a dollar. This one fact will serve to show the people where the public treasure goes, and why certain 'loyal' gentlemen are so anxious for a 'vigorous prosecution of the war.'

ABOLITION TREASON.

"If Meade had engaged Lee and whipped him—which was possible—it would have been bad; if he had utterly defeated and routed Lee—which was much more than possible—it would *have been worse. The political consequence could hardly have failed to be disastrous. The nation is not prepared for a sudden and triumphant suppression of the rebellion. We shall* NOT BE READY *till we get a* BLACK ARMY *of at least one hundred thousand men in the field.*"

The above is from the *Anti Slavery Standard*, one of Lincoln's party papers. And yet these black-hearted disunionists and traitors who are destroying everything for the nigger, call themselves Union men. It is a base deception and lie. All they labor for is negro emancipation and negro equality. They are not in favor of the Union as it was, nor the Constitution as *it* is.

ANOTHER DRAFT.

It seems to be conceded by the Abolition press that another draft, for 600,000 men is contemplated by the Administration. The N. Y. *Tribune* intimates that the rumor is "premature," but does not deny that it is well founded. This contemplated draft, if enforced, and the men actually taken will exhaust the entire North of fighting men—such we mean as would pass examination by a surgeon. It will probably be attempted soon after the termination of the fall elections—say the latter part of November. The able-bodied men of the country may as well prepare themselves to march.

IMPORTANT DECISION.—The New York Court of Appeals, the highest judicial tribunal in the State, has decided in favor of the constitutionality of the law making "greenbacks" legal tender. Six of the eight Judges concurred in the decision. It is understood that the case decided is to go to the U. S. Supreme Court for final decision.

A TEXT FOR COMMENT.

Creed of the Lincoln and Curtin Abolition Party.

The late Massachusetts Abolition State Convention resolved,

"That the policy of employing colored soldiers should be *enlarged and liberalized* by putting such soldiers ON A PERFECT EQUALITY WITH WHITES."

This resolution was drawn up by Hon. Mr. BOUTWELL, late United States Internal Revenue Commissioner. What is its plain meaning? This, and nothing less: To make negro officers for white soldiers to touch their caps to—to obey their order, to march under and fight under—and it means, when the war is over, to give them the right of suffrage without any restrictions more than are placed on white men, to make them eligible to the jury box and to office—in short to confer upon them PERFECT EQUALITY, *political and social.*

This is now the creed of the whole party that supports the administration of Lincoln. It is the creed of ANDREW G. CURTIN, who has avowed himself to be the bumble follower and obedient servant of Lincoln, and every CIVILIAN that casts a vote for Curtin on Tuesday, gives his voice as emphatically for *perfect negro equality, social and political*, as if he had voted for Boutwell's resolution, or proclaimed the sentiment aloud from the house top.

A BLOW AT VENAL DEMOCRATS.

Hon. A. G. RIDDLE, Abolition member of Congress from the Cleveland, Ohio, district, made a speech on the 29th of September, in which he thus alluded to the renegades who have gone over from the Democratic ranks to the Abolition party:

"Who has injured Democrats? Haven't we HIRED them to be loyal, and PAID them in PLACES and in HONORS for their *patriotism?* [He was too modest to add, and in MONEY.] Haven't we thrust by our own NOBLE and UNSOILED ones to make place for them? Was not the brave and sagacious and true man, now on this stand, [Gov. Dennison,] *rudely pushed* from the Executive chair, that a scarred political foe [the renegade Tod,] might have the place," &c.

What a volume of truth there is in this short extract. "Haven't we *hired* them to be loyal?" You are all *hired*, you political renegades—*bought up*, every man of you, with a price, like cattle. So says one of your own party, a prominent man, a leader of your new associates; and he knew what he was talking about. You are, as he says, the *ignoble* and the *soiled* ones, for whom *better* men have been thrust aside.

MR. BLAIR AND THE RADICALS.

Postmaster General BLAIR has recently made a speech which shows that he has awakened to the fact that the radicals, who now so entirely control his party, are really laboring in concert with the secessionists of the South for the destruction of American liberty and the permanent dissolution of the Union. The telegraph gives the following synopsis of his remarks:

WASHINGTON, Oct. 5.

SPEECH OF POSTMASTER GENERAL BLAIR.

Postmaster General Blair made a speech on Saturday, in an adjoining county of Maryland, that is attracting much attention to-day. He denounced what he termed the revolutionary scheme of the abolitionists to obliterate the States of the South, and declared that it was now the manifest duty of the President to steer his course through the strong conflicting tides of two revolutionary movements—that of the nullifiers to destroy the Union and set up the Southern Confederacy, and that of the ultra-abolitionists, which has set in to disfranchise the South on the pretext of making secure the emancipation of the slaves. It is not improbable, he said, that the latter, though aiming at a different result, will be found cooperating in the end with the conspirators of the South and their foreign allies. They may prefer, he added, parting with the South to partnership and equality with them under the Constitution.

The policy thus deprecated as leading to disunion, is the controlling policy of the Administration. None but disunionists can approve of it, and that is what the radicals are.

GEN. McCLELLAN.

The Pittsburg *Commercial*, a few days ago, falsely asserted that General Mc CLELLAN had announced himself favorable to CURTIN's election. The Pittsburg *Post* says it took pains to obtain correct information on the subject, and it now *authoritatively* states that General GEORGE B. McCLELLAN is most solicitous for the triumph of the Democratic candidate. The correspondent of that journal, writing from Philadelphia, says:

"McCLELLAN is heartily in sympathy with the Democracy of Pennsylvania in this great struggle; but he has a delicacy about making any public demonstrations. He expresses himself freely, however, to all who speak to him on politics."

This is enough, and it effectually disposes of the *Commercial's* slander of McCLELLAN, in stating that an officer of his purity could even think of supporting "a public plunderer!"

TO NATURALIZED CITIZENS AND THOSE WHO HOPE TO BECOME SO.

Judge WOODWARD, the Democratic candidate for Governor, has been charged by his enemies with a desire to extend the legal period in which a foreigner can become a citizen, and with general hostility to naturalized citizens.

Here is the refutation:—The following letter was received on Saturday last by a gentleman of this city:

PHILADELPHIA, Sept. 24, 1863.

DEAR SIR: You ask me, "Are you in favor of extending the period of naturalization beyond the present legal term of five years?"

I answer—I am not. *I would not extend it one hour beyond the period now fixed by law.* You may make what use of your question and answer that you please.

Very truly yours,
GEO. W. WOODWARD.

That, we think, is concise and conclusive. Nothing more can be desired on that point. But let us see how the Harrisburg "jobber," who is too corrupt for Stanton to associate with—let us see how *he* stands about the naturalization question:

In 1854 he swore solemnly: "I will not vote nor give my influence for any man for any office in the gift of the people, unless he be an American born citizen in favor of Americans ruling America, nor if he be a Roman Catholic."

The Know Nothing party, into which Mr. Curtin thus swore himself, is now dead, in name, but not in fact. They elected Mr. Pollock Governor, and Mr. Curtin was made his Secretary. Now remember that Mr. Curtin has not retracted one syllable of that oath. He adheres to every word of it to this hour. Curtin also swore, at the same time, that if elected to office he would "remove all foreigners, aliens, or Roman Catholics from office or place."

This oath he has promised to keep forever "sacred and inviolate!" He has not renounced one letter of it to this day. We leave the matter with naturalized citizens.—*Pittsburg Post.*

☞ It is stated that since the defeat of Gen. ROSECRANS, 15,000 troops have been sent from Indianapolis to reinforce him. What were these troops there for, hundreds of miles away from the seat of war, and why were they not sent to him before his defeat?—These questions are easily answered. The men who control public affairs declare that a defeat in the field is preferable to defeat at the polls, and these troops were kept in Indiana to ensure a victory at the polls.

THE DRAFT IN MASSACHUSETTS.—The conscription "works wonders," especially in New England, and still more especially in the Old Bay State, the hot bed of Abolitionism. In the district whose official centre is at New Bedford two thousand nine hundred and sixteen men were drafted. Of these the Government gets *just forty five men.* Sixty eight paid commutation, three hundred and eighty-two furnished substitutes, and seventeen hundred and forty were exempted.

COMMAND IN MISSOURI.—The Washington *Union* says, "a large array of radical emancipationists from Missouri and Kansas, numbering seventy-one, have made a pilgrimage to this city to demand the removal of Gen. Schofield, now in command of the Department of Missouri. They are headed by the notorious Jim Lane, notorious only for his bravado and cowardice. They demur to the continuance of Gen. Schofield in his present position, because of his unwillingness to trample down all law, civilization and order, and let slip the bloodhounds of anarchy, desolation and devastation upon a law-abiding and unoffending people. They will have their labor for their pains; the President, and a majority of his Cabinet, are inflexible in their opposition to the removal of this efficient officer."

THE FIRST FRUITS.

To the Editor of the N. Y. Tribune.

SIR: In a letter recently written by a gentleman at Baton Rouge occurs the following:

"I wish the charitable people of the North would send some clothing for these contrabands. Many of them are naked, and women have had children on the bare floor, with nothing to cover them with. They are in a wretched condition, and dying off fast."

☞ In all this we have some of the practical results of Abolitionism. The people of this country whose reason is not entirely subverted by a wild and morbid fanaticism, may well ask themselves if there is any limit to the evils which the rule of Abolitionism, under the name of Republicanism, is bringing upon the land.

☞ Ex-Brig. Gen. JOHN COCHRANE, one of the "life-long Democrats" who long since yielded to the "pressure" of a greed for office and gain, is the Republican candidate for Attorney General in New York. John has a fine record. After the rebellion broke out he was in Richmond, Va., and made a speech expressing his sympathy with the South and saying he would follow where Virginia led.—He was next found in command of a regiment and making a speech in favor of making the war an abolition crusade. This secured him a Brigadier General's commission. The next heard of him was in Gen. Burnside's famous "order No. 8," issued soon after the battle of Fredericksburg, *dismissing him from the army!* He soon after resigned. He is a very fit candidate for the "infernals."

REPORTED INDIAN MASSACRE.

CHICAGO, October 8.

A special dispatch from St. Paul says intelligence brought by half breeds states that Captain Fisk's overland expedition to Idaho has been massacred by the Sioux. There is nothing definite except that the massacre took place on the big bend of the Missouri river. The half breeds say that the Sioux displayed as trophies the guns and other articles known to have belonged to the expedition. The dispatch adds: "We only hope that the report may prove untrue, and that it may be another version of an attack upon a party of miners who came down the Missouri river, the accounts of which have already been published."

TERRIBLE EXPLOSION.—Near Bridgeport, Tenn., recently, a train of twenty army wagons laden with ammunition had encamped for the night, when two negroes got into a quarrel. One of them seized a shell which he let fall among the ammunition, setting fire to the whole lot, including the magazine, destroying a vast quantity of ammunition, killing nine or ten persons and wounding twenty more.

AWFUL TO KICK.—A mule will kill a lion by his hoofs. One box of Bryan's Pulmonic Wafers cures a sore throat, hoarseness, cough and cold most speedily, 25 cents a box.—Kaufman & Co. sell it.
