STONE IN THE BLADDER, CALCULUS, GRAVEL BEIOK DUST DEPOSIT, AND MUCOUS OB MILKY DISCHARGES AFTER URINATING.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The dose should vary with the severity of the disease, from twenty drops to a tespoonful three times a day, in water. During the passage of the Galculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitu-tion Water, as above directed.

DYSMENORREGEA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty scoretion of the men-straal fluid--in the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be speedily cured by the Constitution Water. That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or abcoling pains through the parts, will, in all cases, be removed by the medicine. There is another class of symptoms arising from IRRI-TATION OF THE WOME, which physicians call Nerroma-ness, which word acyrers up much ignorance, and in nice cases out of tan the dootor does not really know whether the symptoms arsthe disease, or the disease the symptoms. We can only enumerate them hers. I speak more par-ticularly of Cold Feet, Palpitation of the Heast, Impaired Memory, Wakefulness, Finahes of Heat, Ianguor Lassi-tude, and Dimness of Vision.

SUPPRESSED MENSTRUATION,

LEUCORRHGEA OR WHITES.

This disease depends upon an inflammation of mucou lining of the vagins and womb. It is in all cases accom-panied by severe pain in the back, across the bawels and through the bips. One of the inmates of the Hospital give me three doces of your Bitters, and afterwards I feit much better, and I have been taking them ever since and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long bad I not got the Bitters.
