CONSTITUTION WAT THE GREAT REMEDT . 108 233 CONSTITUTION AND THE

ONLY KNOWN BRMEDY DIABETES AND DISTANCE OF THE

KIDNEYS AND BLADDER.

These Dangerous and Troublesome Diseases, which have thus far Resisted the best directed Treatment, can be Completely Controlled by the REMEDY now before us!

THE CURATIVE properties of the medicine direct themselves to the organs of socretion, and by so altering the condition of the stomach and liver that the starchy principle of the food is not con-verted into sugar so long as the system is under the influ-snee of the

CONSTITUTION WATER.

which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has been given.

STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICE DUST DEPOSIT, AND MUCOUS OR MILEY DISCHARGES AFTER URINATING.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitu-tion Water, as above directed.

DYSMENORBHCEA, OR PAINFUL MENSTRUA-TION, AND IN MENORBHAGIA OR PROFUSE FLOWING,

Both discasses arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by secret pain; and the other a too profuse secre-ion, which will be speedily cured by the Constitution Wear

tion, which will be speedily cured by the Constitution Water. That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be remored by the medicine. There is another class of symptoms arising from IRRI-TATION OF THE WOMB, which physicians call Nerrous-ness, which word covers up much ignorance, and in nine cases out of ten the dotor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more par-ticularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor Lassi-tude, and Dimnessof Vision.

SUPPRESSED MENSTRUATION,

Which in the unmarried female is a constant : rring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient grade-ally loss her appetic, the bwells are constipated, night sweats come on, and consumption finally ends her career.

LEUCORRHIGA OR WHITES.

This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accom-panied by sovere pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoon-ful of the medicine, mixed with a half-pint of soft water, morning and evening.

IRRITATION OF THE NECK OF THE BLADDER, INFLAMMATION OF THE KIDNEYS, AND CATAREN OF THE BLADDER, STRAN-GURY AND BURNING, OR PAIN-FUL URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be asid in its praise. A single dose has been known to relieve the most argonat symptoms. Are you trubled with that distressing pain in the small of the back and through the hips 1 A teaspoonful a day of Constitution Water will relieve you like magic.

I hereby cartify that I have been afflicted jith white weiling and scrofilous outbreaks for a period of over four years. My case was so had that I could not walk without the aid of crutches. My left leg was much swoller and there were three eruptions at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced no relief About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the said of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks. I think I shall soon be as well as ever. ANOTHER REMARKABLE CURE. A CASE OF PARAL/SIS RELIEVED BY MISHLER'S BITTERS. The testimony is servery day accomnating that Mishler's Bitters is performing wonders, and its fame is gradually but rapidly spreading over the continent. Read the follow-ing certificate, selected from hundreds received wookly. It speaks for itself: NUMERATING A 1862

ing certificate, selected from hundreds received weekly. It speaks for itself: NETFORMENT NETFORMENT AND A CONTROL AND A CONTROL ME. B. MIBHER-Sir : About Christmast, my youngest daughter, a gitl of fifteen year of sge, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and nuffering the greatest pain. I pro-cured the attendance of our medical men in the neighbor-hood, but, in spite of their best efforts, and grew daily worse- and worse. She was so helpless that it was impossi-ble for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 20th of last month, by the advice of Henry Minnich, I came to see yon, and, from what you told me, I concluded to try your Herb Bittors. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I' want to take out some more with me, and I am confident now able to leave her bed, and can as it in a common char, and can stand on her feet; without any pain; she can raise her hands to her head, and remains out of bed meat of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precure it. You may use this as you please, for I think that so good a medicine should be known overywhere. DK. J. BOYES DODS' INFERIAL WINE BITTERS are composed of a pure and unadulerated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Klowers and Gentian. They are manufactured by Dr. Dods himself, who is an exper-enced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced. **F** 18 H IN G TACKLE.
