There is another class of symptoms arising from IERI-TATION OF THE WOMB, which physicians call Nerroun-ness, which word covers up much ignorance, and in nine cases out of ten the dotor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more par-ticularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakfulness, Flashes of Heat, Languor Lassi-tude, and Dimness of Vision.

LEUCOBRHCEA OR WHITES. Yours, respectfully, LARGASTRS, May 27th, 1863. B. Mishler-Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diar-robeas for three months, and I suffered so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had almost despaired self. I have been at the Lancaster Hospital for six months; I had Rheumatiam when I went there, and was unable to do anything. One of the ismates of the Hospital give me three doces of your Bitters, and atterwards I foll much betier, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themeslves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long had I not got the Bitters I also had Gravol, which has troubled me for a long time, of which I feel nothing of any more. I suppose it works you say in that way. Indeed the Bittershave been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital. PROUTE May 25th 1862 This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accom-panied by severe pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tableepoon-fal of the medicine, mixed with a half-pint of soft water, morning and evening.

Boyce Dods' imperial Wine Bitters; and in this short period they have given such universal satisfaction to the many thousands of persons who have tried tham that it is now an estab-lished article. The amount of bodily, and mental misery prising simply from a neglect of small complaints is sur-prising, and it is therefore of the utmost importance that a strict attontion to the least and most trifling bodily all-ment should be had; for diseases of the body must invari-ably affect the mind. The subscribers now only ask a trial of

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Kariching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigor-ating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strongthen and invigorate the whole system and give a fire tone-such head head to start it's sparity, by equalic-ing the circulation, removing obstructions, and producing a canceral warmth.
