STHE PATENT STAMP-SEALING AND POST-MARK PRESERVING ENVELOPE.

The preservation on the letter itself of the POST-MARK and POSTAGE-STAMP, generally destroyed with the de tached cover, has long been deemed a matter of the first importance. This desideratum is now triumphantly secured by this ingenious invention. Many obvious advantages must arise from the general use of this envelope.

First—Increased Safety by additional sealing; the stamp connecting the envelope and letter securely together; and this is nover liable to be omitted, though the sticking of the flag is frequently against imperiment Intrusion; the flag is frequently against imperiment Intrusion; the star of the flag is a state stamp of the flag is frequently against inspected even if the flap be clanderinely opposed.

Third—Safety against Abstraction of Valuable Inclosures. If the flap be left unseaded, or opened with blonious intent, it will be impossible to open the letter and take thence bean notes and drafts without so mutilating the envelope as to insure detection.

Furth—Security for the free payment of the Postage; as the stamp, when once properly placed in this window, cannot be removed without its destruction.

Furth—Advantage therefore to the Government; by the effectual destruction of every stamp in its first use.

Sight—Facility to the Post Office opperations; by a uniform location of the stamp in the upper right hand corner, which is the most convenient position for the Post Office mark. SOLDIERS: BUTTETY Collected without delay.

which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has been given. STONE IN THE BLADDER, CALCULUS, GRAVEL, BRIOK DUST DEPOSIT, AND MUCOUS OR MILKY DISCHARGES AFTER URINATING.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed. DYSMENORRHERA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be specifily cared by the Constitution tion, which will be specifly cored by the Constitution Water.

That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will; in all cases, be removed by the shedicine.

There is another class of symptoms arising from IRRI-TATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cod Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languer Lassitude, and Dimness-of Vision.

SUPPRESSED MENSTRUATION, Which in the unmarried female is a constant t rring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradually loses her appetite, the bowels are constituted, night sweats come on, and consumption finally ends her career.

This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and evening.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE BLADDER, STRANGURY AND BURNING, OR PAINFUL UBINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most argent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips! A teappoonful a day of Constitution Water will relieve you like magic. FOR DYSPEPSIA

it has no equal in relieving the most distressing symptoms. Also, Headache, Heartburn, Acid Stomach, Vomiting Food, &c. Take a teaspoonful after dinner. The dose in all cases may be increased if desired, but should be done PHYSICIANS

have long since given up the use of buchu, cubebs, and juniper in the treatment of these diseases, and only use them for want of a better remedy. CONSTITUTION WATER

Dr. Wm. H. Gregod—Dear Sir : In February, 1861, I was afflicted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost shout firty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Gentic: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrhs, and Irritation of the Bladder. I called a physician, who attended her about three months, who are the first was a successful of the set physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. Beh has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

THESE ARE FACTS ENOUGH.

There is no class of diseases that produces such exhaust-ng effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary emedies, and we present the CONSTITUTION WATER

THE MOST WONDERFUL CARE ON RECORD.

READ!! READ!! READ!!

The remarkable virtues of Mishler's Herb Bilters have again been brought to the test, and passed through the ordeal triumphantly. The following certificate has been received, and if there are any persons skeptical as to its truth, they can satisfy themselves by calling upon the young man who gives it. He may be found during the day at the Bouthwest corner of Centre Square and West King street, where he keeps a cake stand. He will give all information that may be desired in regard to his case. But read the following:

information that may be desired in regard to his case. But read the following:

CREMITMATE OF JOHN S. EINLHART.

I hereby certify that I have been smilted fit white swelling and scrothous outbreaks for a period of over four years. My case was so bad that I could not walk without the aid of crutches. My left leg was much swollen and there were three eruptions at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced no relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now, able to walk without the said of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks, I think I shall soon be as well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the sflicted, and would invite all to call upon me, and I will give them all the information on the subject in regard to my case.

speaks for itself:

MR. B. Mishiram—Sir: About Christmast, my yonngest
daughter, a girl of fifteen years of age, was attacked with
paralysis, which confined her to her bed, where she lay
perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she grew daily
worse and worse. Ehe was so belpiess that it was impossible for her to at tup, even when propped by pillows, for
when, to ease her, we would raise her up, she would fail
over backwards, or lie on one side or the other, and indeed
had no strength or power or control over her motions at
al. 'On the 26th of last menth, by the advice of Henry
Minnich, I came to see you, and, from what you told me,
I concluded to try your Herb Bitters. I took a bottle out
home with me, and my danghter commenced taking it.
She has used that bottle, and the effect is so great that I
want to take out some more with me, and I am confident
now that what you told me was perfectly true, and that
my daughter will shortly, be-entirely recovered. She is
now able to leave her bed, and can sit in a common chair,
and can stand on her feet, without any pain; she can raise
her hands to her head, and remains out of bed most of the
day. I am so pleased with the effects of your medicine that
there is nothing I would not give to precure it. You may
use this as you please, for I think that so good a medicine
should be known everywhere.

What pratitude I romain, Sir,
Yours truly,

Marietta Furnage, May 22, 1863.

Yours truly,

MARIETTA FURNAGE, May 22, 1863.

Benj. Mishler, Esq.—Dear Sir: Please send me by Pennsylvanis Railroad /g gross your celebrated Bitters as soon as possible. I am almost out of it, and I find it to be the very best Bitters manufactured.

I could procure you half a dozen certificates if necessary: but knowing the Bitters will do what is represented, I think all that is required is the cash for the Bitters.

Yours truly,

Agent for B. Mishler.

The office for the sale of Mishler's Bitters is in Centre Square, where hundreds of certificates can be seen.

Friend Michler—Dear Sir: I wish you to send me im mediately, one or two cases of your Bitters. I gave a bot tie to Mrs. Neavin, a lady that had been troubled with the Dumb Ague, and had taken so much quinine that her appetite had left, and was so much troubled with pain in all her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties o her household; in fact she can net give it praise enough Yours, respectfully,

LANCASTER, May 27th, 1863.

B. Michler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarroheas, for three months, and I suffered so much with pain and grew so wesk, that the doctors had almost despaired of my getting/well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six months; I had Rheumatism when I went there, and was unable to do anything. One of the inmutes of the Hospital give me three doese offjourn Bitters, and afterwards I selt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved thempelies to be a cure for me, and I am thankful for it. I do rieally think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bittershave been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital.

PEQUEA. May 25th, 1863.

Mr. B. Michler: This is to certify, that I have had an attack of the Gravel for about six months, and sometimes with a good bit of pain; at last it become so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bottles of it, and I must sayt hat it relieved me entirely of my pain. Respectfully yours,

pain. Respectivity yours,

Lancaster Citt, May 7th, 1863.

Mr. B. Mishler—Sit: I have been subject to inward weakness and pain in the small of the back for the last ten years, and had given up all hopes of getting better. I was induced to try your Blitters, and after using it a short time, I am happy to say I am almost well, and by using a few more bottles expect to be as hearly as formerly. I recommend it to those of my sex similarly afflicted.

Respectfully yours,

HARRIET ORK.

mend it to hose of my sex similarly affilicted.

Respectfully yours, HARRIET ORR.

MOUNT JOY, May 13, 1803.

Mr. B. Mishler: My wife baving been afflicted with excruciating pain in her hands and feet, several of our most prominent physicians attended her but could give her little prominent physicians attended her but could give her little or no relief. I then had recourse to Mishier's Bitters; she took half a bottle, and the pains outirely left her. I took the remainder myself; before taking it I was overcome with drowniness whenever I would sit down to read or write, and would fall asleep, but since I took the Bitters, I feel as if I could "lenp over a wall and ron through a troop."

Mr. B. Mishler—Dear Sir: About three years ago there was a Lump or Swelling came on the side of my neck of jaw, which continued to enlarge in size without opening. About two years ago, I drew it open with a poultice. I commenced to use your Bitters about three months ago, which has driven the swelling all away, and besides has taken a lump of bard substance from the opening which you can have to show to the popple. I am this day a sound man, and seel nothing of it at all; it has left no mark or trace of it behind, all has gone away.

Landater, May 6, 1863.

B. Mishler—Dear Sir: I had pain in my boad, side and back, in connoxion with chilis and fever, which alarmed me very much from the fact of my having a very severe stack of Typhoid Fever, while connected with the Army. I bought one bottle of your Herb Bitters, and when I got home I took two doses of it which relieved me almost immediately. I fam taking two doses per day now and feel as well as ever I did. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard your Bitters recommended so highly by different ones, I concluded to try it, and such are the facts of the benefits I roccived by using your Bitters. I am stopping at the Franklin House, North Queen street, in this city, and will be glad to testify to the above, to any one calling at the aforementioned place, or at Coatesville, Chester county, which is my permanent residence. ENOCH DUNLAP.

LANCISTER, April 20th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been stending fire in a bake oven for thirty-two years which caused mo to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a cane and see where I go. I was digging garden to-day and could see the worms crawling about in the dug up earth. Respectfully,

MR. B. MIBILER—Dear Sir: My daughter, a young girl about 12 years of age, caught a cold in her eyes earlyl ast spring, which afflicted her so much that I was afraid abaveould lose the sight of one of her eyes. Bhe finally got so bad that it was found necessary to keep her continually in a dark room, allowing not even a candle 8c be lit. About three weeks ago I was induced to give her a bottle of your bitters, and am happy to say that one bottle cured her so completely that she is now able to go to school.

TO THE PEOPLE OF THE UNITED STATES.

In the month of December, 1858, the undersigned for the first time offered for saie to the public Pr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arrising simply from a neglect of small complaints is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily aliment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, Genoral Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on carth. To be assured of this, it is only necessary to make the trial. The Wine Itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and heatily action to allit a parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Dineasses and Weakness pscular to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without thom, as they are revieflying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PRE—VENT DISEASE, and in this respect are doubly valuable to the person who may use them. For INCIPIENT CONSUMPTION,

Wask Lungs, Indigestion, Dyspépsia, Diseases of the Nervous System, Farslysis, Files, and for all cases required. Wask Lungs, Indigestion, Dyspôpsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic DR. DODS' CELEBRATED WINE BITTERS ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable. For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tallors, Scamstresses, Students, Artists, and all persons leading a sodentary life, they will prove truly benchiat.

As a Beverage, they are wholescene, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and a valuable remedy for persons addicated to the uniform. n the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clerkymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid is hantshing Brunkenness and Disease.

FEMALES

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fall to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly sottled places, where there is always a large quantity of decaying timber from which a poisonous missma is created, these bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Confrey, Wild Cherry Trea

are manufactured by Dr. Dods himself, who is an experionced and successful Physician, and hence should not be
