The Richmond Dispatch of the 24th says: Missionary Ridge dates to Nov. 23d are received. The enemy massed a heavy force on our right this morning, and advanced at two o'clock, driving in our pickets. It is not certain yet whether they connemplate an attack in force or to advance their lines. There are various rumors of the occupation of Knoxville by our forces, but nothing official. Two thousand Yankees passed Rodgersville, and five regiments through Jacksonborough, en route for Kentucky. Our forces are active in front. President Davis arrived at Orange Court House on Saturday. He is stopping with Gen Lee.

The fighting to-day progressed favorably. Gen.
Sherman carried the end of Missionary Ridge, and his right is now at the tunnel and his left at Chickaniaga creek. The troops from Lookout Valley carried the point of the mountain, and now hold the eastern slope and Point Highup. I cannot yet tell the amount of casualties, but our loss is not heavy. General Hooker reports 2,000 prisoners taken, besides which a small number have fallen into our sides which a small number have fallen into on hands from Missionary Ridge. U. S. The Capture of Missionary Midge.

A Washington dispatch to the Tribune says:
Very full semi-official dispatches descriptive of the operations of Wednesday, in front of Chattanooga, have been received here. They speak in terms of the most enthusiastic admiration of the conduct of the troops, and particularly of that of the divisions of Generals Wood and Sheridan, now embraced in the command of General Hooker. These man, excited by their success in carrying the rife pits on the slope of Missionary Ridge, which they had been ordered to take at all hazards, rused up the precipice beyond, and carried the crest of the hill, capturing some thirty cannon and thousands of prisoners. Neither Grant nor Thomas believed that the hill could be carried by a direct attack, no orders for the assault were given, and the officers were literally swept along in the current of soldiors and der their command. The hill, beside being exceedingly steep, was enfladed by artillery, both to the right and left, and the mon were also exposed to a heavy fire from the rife pits in front. This was regarded by the rebels as the strongest part of their lines, as, indeed, all but impregnable; and General Grant for the stay of the assaulting columns were exposed, the casualties were extremely small. A few hundred only are reported. The number of rebels taken prisoners is reported at 3500, but it will be largely increased by stragglers, of whom large numbers had been and were still coming in this morning. The statement in the Associated press telegrams, that Bragg is in full retreat, was premature at their date, but may be true now. This morning Bragg's forces were massed near Rossville, in the forks of the Chickamauga, to the left of the position just won by our army.

General Bragg's retreat from his position of last night is represented as a perfect rout.

General Sheridan reached Chickamauga station at d'clock this morning; he captured five hundred prisoners, four guns, and a number of pontoons.

The enemy attempted to burn the bridge behind him, and partially succeeded. The enemy also burned the depot and stores at Chickamauga this morning. General Boerman crossed the Chickamauga this morning. General Hooker was reported at Ringgold at 6 colock this were wening.

The desertions and captures from the rebel army are rapidly thinning it.

The number of cannon captured thus far is reported at fifty-two, including the celebrated Loomis battery which was lost by us at Chickamauga. Gen.

Cincinnati, November 23.

The Memphis Bulletin of the 12th says: Ten wagons loaded with cavalry clothing left Little Rock for Benton, 25 miles distant, with a small escort of fifteen men. When about half way to Benton Ferry sixty guerillas dashed between the escort, who were in advance of the train. The guards draw up in line of battle, but, seeing how largely they were outnumbered, made a hasty walk toward Benton.—The guerillas broke open the packages and took out the clothing, and loading it on the backs of sixty mules, disappeared in the forest, after setting fire to the wagons.

A company of cavalry started in pursuit of the guerillas, but failed to overtake them.

Gen. Steele sent word to the rebel Marmaduke that he was welcome to the clothing, but if he caught any of his soldiers wearing the uniforms he would hang them.

Dishonest Contractors Punished.—John K. Steller, of Philadelphia, (formerly of Reading) has been convicted by court martial of defrauding the Government, in having contracted to furnish pure prime Rio coffee, and furnishing instead coffee of a low quality and highly adulterated. He is sentenced to an imprisonment of five years in the New York State Penitentiary at Albany. Mr. Stetler figured in Reading several years ago, for a short time, as a Bookseller. He is a native of Berks county, and has respectable connections there, who are mortified at his conduct.

C. W. Hall, a horse contractor for the Government, has been found guilty and sentenced to six months' imprisonment, and fined \$10,000, for defrauding the government in the purchase of horses.

THE PRESIDENT'S SALARY.—A number of journals says the N. Y. World, throughout the country, are calling upon the coming Congress to raise President Lincoln's salary, forgetting that there is a constitutional provision which forbids any such increase until after the expiration of the term of office to which the person interested has been chosen. Constitutional provisions, however, in the language of an eminent civilian, do not amount to "pig tracks" in these fast times. So we suppose that Congress will take this grave matter into consideration.

Below we publish another lot of certificates received by B. MISHLER, concerning the great cures effected by his wonderful remedial agent known as HERB BITTERS: BITIERS:

ALTOONA Pa, Sept. 2, 1863.

Dr. Whitfield—Sir: I had been afflicted with a very severe cold on the breat for three or four weeks, and had tried different domestic and patent remedies without any benefit. From your recommendation I was induced to try Mishler's Bitters. I am happy to say they had the desired effect—and I am better than I have been for a long time. I have also used the Bitters for a severe Diarhoze and they completely cured me. No one should be without them. I am determined to have some in the house all the time.

Yours respectfully,

JOSEPH H. BROWN

JOSEPH H. BROWN. Dr. Whitfield—Sir: This is to certify that I have been afflicted with the Rheumatism for many years, and have tried many things said to be curse without any relief. I am employed drying sand for the P. R. R., and having to be in the damp and steam nearly all the time, I was sirald that I never would get well again. One of my arms has been so bad that I was afraid I would lose the use of it sltogether; it was so weak and painful that I had to raise it with my other hand whenever I wished to change its position. The bottle of Mishler's Herb Fitters I got from you the other day, has so much relieved me that I can now raise my arm without difficulty and it is getting as strong as ever.

From the wonderful improvement it has made in my health, I can recommend Mishler's Herb Bitters with the greatest confidence to all those afflicted with his Rheumatism. Respectfully yours,

HUGH MULLOY. MANHIM, Nov. 5th, 1863.

B. Mishler—Dear Sir: I have been selling your Bitters for a long time, and have used it myself for Neuralgia, which has entirely cured me, and my customers use it and think it to be the best Bitters they have ever heard of, Indeed it has given entire satisfaction in every particular. I intend to keep a full supply on hand all the time at my hotel, "Washington House," Manheim.

THE ONLY NEW YORK PAPER MADE UP EX-CLUSIVELY FOR COUNTRY CIRCULATION. News of the Week, with the Cattle, Produce, and other Markets, Carefully Reported. NEW YORK DAY-BOOK WHITE MEN'S LIBERTIES—STATE RIGHTS— FEDERAL UNION.

The New York Day-Book is an independent, I ournal, holding, with the late Senator Doughthis Government is made on the white basis, this Government is made on the white basis, by white ren, for the benefit of white men and their postarity for ever." It is a large double sheet, with forty-eight columns of reading matter, and in all respects whether for markets, kews, Literary or Agricultural information—is not inferior to any as a political or family newspaper. In its political department, it grapples boldly with the real question before the American People, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term—the defender of the People's Bights, but it is the upholder of no party chicanery or trickery. It is not only for Peace, but it shows how, and how only, permanent Peace can be obtained, and the glorious White Man's Government of Washington testored, viz.: by the utter routs, overthrow, and extermination of Abolitionism from American soil.

The Day-Book is now the only weekly political paper in New York city made up exclusively for country circulation. All the others are rehashed from the columns of some daily paper, which renders it almost impossible to some daily paper, which renders it almost impossible to give so complete and general a summary of the news as in the other case. Persons about subscribing should take this into consideration. Democrate, also, must see to it that sound papers are circulated among the people, or refute the arguments of Abolitionism will never be put down. All who desire to refute the arguments of Abolitionism will never be put down.

VAN EVBIE, HORTON & CO., No. 162 Nassau Street, New York SPECIAL OFFERS.

We desire this year to place before a million of northern readers the great doctrines the Day-Book teaches on the question of the Races. We confidently believe if this journal were placed in the hands of one half of the voters of the northern btates between this time and November, 1834, the Democrate could not fail to carry the next Presidential election. We therefore make the following offers, not in the light of prizes, and not even because it will be profitable—for we can scarcely afford it—but solely to secure a wide dissemination of the views which we profitable—for we can scarcely afford it—but solely to secure a wide dissemination of the views which we profitable—for we can scarcely afford it—but solely to secure a wide dissemination of the views which we profitable—for we can scarcely afford it—but solely to scarce a wide dissemination of the views which we profitable will save our country:
