Disease occurring from one and the same cause will be intirely cured by the Constitution Water, if taken for any ength of time. The dose should vary with the severity of the disease, from twenty drops to a tesspoonful three imes a day, in water. During the passage of the Calculus, he pain, and urgent symptoms should be combeted with he proper remedies, then followed up with the Constitution Water, as above directed. DYSMENORRHEA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUEE FLOWING,

Both diseases arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by severe pain; and the other a too profitse secre-tion, which will be speedily cured by the Constitution ater. That disease known as FALLING OF THE WOMB, which That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by starp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of tan the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wasteliness, Flashes of Heat, Languor Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION. Which in the unmarked plants is a constant I find disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career. LEUCORRHGEA OR WHITES.

This disease depends upon an inflammation of mucous thing of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and evening. IRRITATION OF THE NEOK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND

For these diseases it is truly a sovereign remedy, so much cannot be said in its praise. A single dose oo much cannot be said in its praise. A sugge was een known to relieve the most preent symptoms. DANVILLE, Pa., June 2, 1862. Dr. W.M. H. GRIGO—Dear Sir.; In February, 1861, I was sfilicted with the sugar diabetes, and for fire months I passed more than two gallons of water in twenty-four bours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely curged, soon after regaining my usual good health. WM. H. Gree & Co.:

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attacked with Falling of the Womb, Dysmenorrhes, and Irritation of the Bladder: I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first does seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

MYL M. VAN BENSCHOTEN.

DR. WM. H. GREGG:

Day Sir: I have for several years, been afflicted with that troublesome and dangerous disease—Gravel—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may may may any use of my name you may see in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG.

THESE ARE PACTS ENOUGH. There is no class of diseases that produces such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician. ore peculiarse, selected frem hundreds received weekly. It peaks for itself:

Nextwentile, June 5, 1863.

Mr. B. Mishirs—Sr.: About Christmast, my youngest daughter, a girl of fifteen years of age, was attacked with paralysis, which confined her. to her bed, where she lay perfectly shipless and suffering the greatest pein. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she grew daily worse and worse. She was so helpless that it was impossible for her to sit-up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards; or it en one side or the other, and indeed had no strength or power or control over her motion; at all. On the 26th of last month, by the advice of Henry Minnich; I came to see you, and, from what you told me, I concluded to try vour Herb Bitters. I book a bottle out home with me, land my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. The amount of bodily and mental misery arising simply from a neglect of small compliants is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Feinales, where a Tonic is required to strengthen and brace the system. No Lady, who Lady, who

They produce all the exhiliarating effects of Brandy or Wine, without intoxicating; and are a valuable reimedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. Being entirely linocent and harmless, they may be given freely to Children and Infants with impunity. The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-live years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poleonous missma is created, these bitters should be used every morning before breakfast.

DR. J.
