My left leg was much awollen and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced no ralief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the aid of crutches. My left are still pent, but if I coulinue to improve as I have been doing for the last two or three weekst. I think I shall soon be as well as erer. JOHN S. RINEHART. Lancaster, May 22, 1863. ANOTHER REMARKABLE CURE. A CASE OF PARALYSIS RELIEVED BY MISHLER'S BITTERS. The testimony is every day accumulating that Mishler's Bitters is performing wonders, and its fame is gradually but rapidly spreading over the continent. Read the follow-ing certificate, selected from hundreds received weekly. It speaks for itself: Ms. B. MISHLER'S BITCH. Ms. B. MISHLER'S Alficent years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I pro-cured the attendance of our medical men in the neighbor-hood, but, in spile of their best efforts, she grew daily worse and worse. She was so helpless that it was impossi-ble for her to sit up, even when propped by pillows, for when, to ease her, we would rails her up, she would fail over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all: On the 26th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try vour Herb Bitters. I took a botho out now with me, and my dangher commenced taking it. She has used that bottle, and the effect is so great that J want to take out some more with effect is so great that my daughter will abortly be entirely recovered. She is now able to lawe her bed, and can sit in a common chair, and can stand on her feet, without sany pain ; she can raise her hands to her head, and remains out of bed most of the there is nothing I would not give to procure it. You may use this as yon please, for I think that so good a medicine should be known everywhere. With graitude I remain, Sit, Yours truly. Markerta FURNAR, May 22, 1863. Bryr. Missing Key Links. Bryr. NEW YORK DAY-BOOK FOR 1864.

WHITE MEN'S LIBERTIES-STATE RIGHTS-FEDERAL UNION.

The New York Day Book is an independent, Democratic journal, holding, with the late Senator Douglas, that "this Governmout is made on the white basis, by white men, for the benefit of white men and their posterity for-ever." It is a large double sheet, with forty eight columns of reading matter, and in all respects—whether for Markets. News, Literary or Agricultural information—is not inferior to any as a political or family newspaper. In Its political department, it grapples boldy with the real question before the American People, and presents the only philosophy of it which can resist the aweeping march of Abolitonism. It is Democratic in the true sense of the term—the defender of the People's Rights, but it is ne upholder of no arry chicamery or trickers. It is not only for Pence, but itshows how, and how only, permanant Peace and be obtined, and the gorious White Man's Gov-ernment of Washington restored, viz. by the utter route, overthrow, and extermination of Abolitionism from Architamer in

American scil. The Day Book is now the only weekly political paper in New York city made up exclusively for country circula-tion. All the others are rehashed from the columns of the others are rehashed from the columns of York city made up exclusively for country circula All the others are rehashed from the columns of a daily paper, which renders it almost impossible to go complete and general a summary of the new give go complete and general a summary of the news as in the other case. Persons about subscribing should take this into consideration. Democrats, also, must see to it that sound papers are circulated among the people, or Abolitionism will never be put down. All who desire to refute the arguments of Abolitionists, should read The Day Book.
