The New York Day-Book is an independent, Democratic journal, holding, with the late Zenator Douglas, that "this Government is made on the white basis, by white men, for the benefit of white men and their posterity forever." It is a large doub'e sheet, with forty eight columns of reading matter, and in all respects—whether for Markets, News, Literary or Agricultural information—is not inferior to any as a political or family newspaper. In its political department, it grapples boidly with the real question before the American People, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term—the defender of the People's Rights, but it is the upholder of no party chicanery or trickery. It is not only for Peace, but it shows how, and how only, permanent Peace can be obstauled, and the giorious White Man's Government of Washington restored, viz.: by the utter route, overthrow, and extermination of Abolitionism from American soil.

Dr. Wm. H. Grigg—Dear Str. in February, 1861, I was afflicted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about inty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Paipitation of the Heart, attended with Falling of the Womb, Dysmenorrhe, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the decired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

COMPOUND EXTRACT OF

OUBEBS AND COPAIBA

This preparation is particularly recommended to the MEDICAL PROFESSION and the PUBLIC, as combining, in the most convenient and efficacious form, the well-established virtues and properties of Cubebs and Copatha. For the speedy and effectual relief and cure of all SEXUAL DISEASES, it may justly be considered one of the greatest and most valuable discoveries in the annals of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauseous taste is avoided, and it is, consequently, never found to interfere with the digestion, while, from its greater on contration, the dose is much reduced. The remarkable virtues of Mishler's Herb Elitters have again been brought to the test, and passed through the ordeal triumphently. The following certificate has been received, and if there are any persons skeptical as to its truth, they can satisfy themselves by calling upon the young man who gives it. He may be found during the day at the Southwest corner of Centre Square and West King street, where he keeps a cake stand. He will give all information that may be desired in regard to his case. But read the following:

OKREPICATE OF JOHN S. RINKHART.
I hereby certify that I have been afflicted the white swelling and scrofulous outbrasks for a perion of over four years. My case was so bad that I could not walk without the aid of crutches. My left leg was much swollen and there were three eruptions at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced so relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the aid of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks, I think I shall soon be as well as evar. My general health has also improved, and is better now than it has been for years. I make this state. well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afflicted, and would invite all to cail upon me, and I will give them all the information on the subject in regard to my case.

put rapuny spreaming over the continent. Read the following certificate, selected from hundreds received weekly. It speaks for itself:

Mr. B. Mishler—Sr: About Christmast, my youngest daughter, a girl of fifteen years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she grew daily worse and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 20th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; she can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give-to-precure it. You may use this as you please, for I think that so good a medicine should be known everywhere.

With gratitude I remain, Sir,
Yours truly,

Friend Mithler—Dear Sir: I wish you to send me immediately, one or two cases of your Bitters. I gave a bot tie to Mrs. Neavin, a lady that had been troubled with the Dumb Agne, and had taken so much quinine that her appetite had left, and was so much troubled with pain in all her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise enough. sehold; in fact she can not give it praise enough ours, respectfully. CHAS. Langaster, May 27th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrohosa, for three mouths, and I suffered so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six mouths; I had Rheumatism when I went there, and was unable to do anything. One of the immates of the Hospital give me three doese of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bitters have been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital.

Prover, May 25th, 1863.

Mr. B. Michler: This is to certify, that I have had an attack of the Gravel for about six mouths, and sometimes with a good bit of pair, at last it become so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give its trial. I have used two bottles of it, and I must sayt hat it relieved me entirely of my pain. Respectfully yours,

JNO. SOHOOK.

LANCASTER CITY, May 7th, 1863.

Mr. B. Mithler—Sir: I have been subject to inward weakness and pain in the small of the back for the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am almost well and by using a few more bottles expect to be as hearty as formerly. I recommend it to those of my sex similarly afflicted.

Respectfully yours,

MOREN LOY May 13, 1863.

MOUNT JOY, May 13, 1863. Mr. B. Mishler: My wife having been afflicted with excruciating pain in her hauds and feet, several of our most prominent physicians attended her but could give her little or no relief. I then had recourse to Mishler's Ritters; she took half a bottle, and the pains entirely lett her. I took the remainder myself; before taking it I was overcome with drowsiness whenever I would sit dww in read or write, and would fail saleep, but since I took the Bitters, I feel as If I could "leap over a wail and run through a troop."

Mr. B. Michler—Dear Sir: About three years ago there was a lump or Swelling came on the side of my neck or jaw, which continued to enlarge in size without opening. About two years ago, I drew it open with a poultice. I commenced to use your Bitters about three months ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people. I am this day a sound man, and feel nothing of it at all; it has left no mark or trace of it behind, all has gone away.

B. Mishler—Dear Sir: I had pain in my head, side and back, in connexion with chills and fever, which alarmed me very much from the fact of my having a very severe attack of Typhoid Fever, while connected with the Army. I bought one bottle of your Herb Bitters, and when I got home I took two doese of it which relleved me almost immediately. I sun taking two doses per day now and feel as well as ever I did. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard your Bitters recommended so highly by different ones, I concluded to try it, and such are the facts of the benefits I received by using your Bitters. I am stopping at the Franklin House, North Queen street, in this city, and will be glad to testify to the above, to any one calling at the aforementioned place, or at Coateaville, Chester county, which is my permanent residence. ENOCH DUNLAP.

Lancaster, April 20th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been attending fire in a bake oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a cano and see where I go. I was digging garden to-day and could see the worms crawling about in the dug up earth. Respectfully,

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the curs of Wesk Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit s parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

THISE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who may use them. For well and the producing a Tonic DESCREENATED WINE BITTERS ARE UNSURPASED!

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adultersted Wines and Liquors with which the country is flooded.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J.
