To Horse Owners!

R. SWEETS INFALMBLE LIMMENT FOR HORSES is unrivaled by any, and in all cases of Lameness, arising from Sprains, Bruises or Wrenching, its effect is magical and certain. Harness or Saddie Galls, Scratches, Mange, &c., it will also cure speedily. Spavin and Ringbone may be easily prevented and cured in their incipient stages, but confirmed cases are beyond the possibility of a radical cure. No case of the kind, however, is no desperate or hopeless but it may be alieviated by this Liniment, and its faithful application will always remove the Lawceness, and enable the horses to travel with comparative case.

Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameners will effectively prevent those formidable diseases mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.

One of the prettiest, most convenient, and decidedly the best and cheapest time-piece for general and reliable use ever offered. It has within it and connected with its ma-hinery, its own winding attachment, retudering a key entirely unneressary. Price, superbly ougraved, per case of half dozon, \$204. Sample Watches, in neat morocco boxes, \$25.

In the state of the second of two materials, and above all, cheapness in price, these watches must lusure universal approbation.

An imitation so faultiess that it can hardly be detected by the most experienced judges. The material being of two matals, the outer one first quality Sterling Silver, it cannot be recognized by cutting or heavy engraving, making it, of only in appearance, but in durability, the bast resemblance of SOLID STERLING SILVER in existence.

INDIGOBLUE,
PUT UP AT
A LFRED WILTBERGER'S
DRUG STORE,
No. 233 NORTH SECOND STREET, PHILADELPHIA.
The quality of this Blue will be the same in every respect! The quality of this Blue will be the same in every respect!

It is warranted to color more water than twice the same quantity of Indigo, and to go much further than any other Wash Blue in the market. It dissolves perfectly clear and does not settle on the clothes as most of the other makes do. One Box dissolved in a half plnt of water, will make as good a Liquid Blue as any that is made, at one third the cost.

As it is retailed at the same price as the Imitations and Inferior articles, housekeepers will find it very much to their advantage to ask for that put up at Wiltbergers.

As All Blue put up after this date with Barlow's name on it is an Imitation.

The New Label does not require a Stamp.

As To Eale by Storekeepers generally.
