ANOTHER REMARKABLE CURE. A CASE OF PARALYSIS BELIEVED BY MISHLER'S BITTERS. The testimony is every day accomulating that Mishler's Bitters is performing wonders, and its the follow-ing certificate, selected from hundreds received weekly. It speaks for itself: NEFFSYLLE, June 5, 1863. AGT This is to certify that I do not sell my best quality f Peach Bottom Graged Slate to any other person in ancaster, than Geo. D. It speaks for itself: NEFFORT About Christmast, my youngest daughter, a girl of fifteen years of age, was stacked with paralysis, which confined her to her bed, where she lay perfoctly helpiess and suffering the greatest pain. I pro-cured the attendance of our medical men in the neighbor-hood, but, in spite of their bast efforts, she grew daily worse and worse. She was so helpiess that it was impossi-ble for her to sit up, werm when propped by pillows, for when, to ease her, we would raise her up, she would fail over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I coucleded to try your Harb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I wan to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a commo chair, and can stand on her feet, without any pain; she can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precure it. You may use this as you please, for I think that so good a medicine with gratitude I remain, Sir, Manufacturer of Peech Bottom Roofing Slate feb 25

I took the remainder myself; before taking it I was overcome with drowsiness whenever I would sit down to read or write, and would fail asleep, but since I took the Bitters I feel as if I could "lesp over a wall and ran through troop." There is no class of diseases that produces such exhanst-ing effects upon the human constitution as Diabutes and Diseases of the Kidneys, Biadder and Urinary Passaços, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

The proprietor, before purchissing the exclusive right to manufacture and sell Dr. J. Although the medical men of the country, as a general thing disapprove of Patent Medicines, yst we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS. In all newly sattled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before brackfast. DR. J. BOYEE DODS' IMPERIAL WINKE BITTERS are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Clamomile Flowers and Gentian. They are manufactured by Dr. Dods himself, who is an experi-enced and successful Physician, and hence should not be classed among the quack nostrums which food the country, and against which the Medical Profession are so justly Prejudiced.
