Sep 22 of rading matter, and in all respects—whether for Markets, Nawa, Literary or Agricultural information—is not inferior to any as a political or family newspaper. In its political department, it graphes boldly with the real question before the American People, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term—the defender of the People's Rights, but it is the uphoider of no party chicanery or trickery. It is not only for Peace, but it shows how, and how only, permanent Peace can be obtained, and the glorious White shan's Government of Washington restored, viz.: by the utter route, overthrow, and extermination of Abolitionism from American soil.

The Day-Book is now the only weekly political paper in New York city made up exclusively for country circulation. All the others are rehashed from the columns of some daily paper, which renders it almost impossible to give so complete and general a summary of the news as in the other case. Persons about subscribing should take this into consideration. Democrate, also, must see to it that sound papers are circulated smong the people, or Abolitionism will never be put down. The remarkable virtues of Mishler's Herb Bitters have again been brought to the test, and pa-sed through the ordeal triumphantly. The following certificate has been received and if there are sny persons skeptical as to its truth, they can satisfy themsleves by calling upon the young man who gives it. He may be found during the day at the Southwest corner of Centre Square and West King street, where he keeps a cake stand. He will give all information that may be deshred in regard to his case. But read the following:

CHENTINIATE OF JOHN S. ENDREAT.

I hereby certify that! I have been afflicted ith white swelling and scrotulous outbreaks for a perion of over four years. My case was so bed that! could not walk without the aid of crutches. My left leg was much swollen and there were three cruptions at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced no relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I legan to get botter. I am now able to walk without the sid of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks. I think I shall soon be as well as ever! My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afflicted, and would invite all to call upon me, and I will give them all the information on the subject in regard to my case.

A CASE OF PARALYSIS RELIEVED BY
MISHLER'S BITTERS.
The testimony is every day accumulating that Mishler's
Bitters is performing wonders, and its fame is gradually
but rapidly spreading over the continent. Read the following certificate, selected from hundreds received weekly. It
speaks for itself:

NEFFYILE June 5, 1863

Speaks for itself:

NEFFVILLE, June 5, 1863.

MB. B. MISHLER—&: About Christmast, my youngest daughter, a girl of fifteen years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she grew daily worse and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. Ou the 26th of last menth, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try vour Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; she can raise her hands to her head, and remains out of bed meet of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precure it. You may use this as you please, for I think that so good a medicine should be known everywhere.

With gratitude I remain, Sir, NEFFSVILLE, June 5, 1863.

Mr. B. Mishler: My wife having been afflicted with excruciating pain in her hauds and feet, several of our most prominent physicians attended her but could give her little or no relief. I then had recourse to Mishler's Bitters; she took half a bottle, and the pains entirely lett her. I took the remainder myself; before taking it I was overcome with drowsiness whenever I would sit down to read or write, and would fall asleep, but since I took the Bitters, I feel as if I could "leap over a wall and run through a troop." B. Mishler—Dear Sir: I had pain in my head, side and back, in connexion with chills and fever, which alarmed me very much from the fact of my having a very severe attack of Typhold fever, while connected with the Army. I bought one bottle of your Herb Bitters, and when I got home I book two doses of it which relieved me almost immediately. I am taking two doses per day now and feel as well as ever I did. Dr. Whitfield—Sir: I had been afflicted with a very severe cold on the breast for three or four weeks, and had tried different domestic and patent remedies without any benefit. From your recommendation I was induced to try Mishler's Bitters. I am happy to say they had the desired effect—and I am botter than I have been for a long time. I have also used the Bitters for a severe Districts and the effect—and I am botter than I have been for a long time. I have also used the Bitters for a severe Diarhoæ and they completely cured me. No one should be without them. I am determined to have some in the house all the time.

Yours respectfully,

Dr. Whitivid—rir: This is to certif; that I have been afflicted with the Rheumatism for many years, and have tried many things said to be cures without any relief. I am employed drying sand for the P. R. R., and having to be in the damp and steam nearly all the time, I was afraid that I never would get well again. One of my arms has been so bad that I was adraid I would lose the use of it altogether; it was so weak and painful that I had to raise it with my other hand whenever I wished to change its position. The bottle of Mishler's Herb Bitters, I got from you the other day, has so much relieved me that I can now raise my arm without difficulty and it is getting as strong as ever.

From the wonderful improvement it has made in my health, I can recommend Mishler's Herb Bitters with the greatest confidence to all those afflicted with the Rhenmatism. Respectfully yours,

During the past year we have introduced to the notice of the medical profession of this country the Pure Crystal zed Chloride of Propylamine, as a REMEDY FOR RHEUMATISM;

and having received from many sources, both from phydcians of the highest standing and from patients, the MOST PLATTERING TESTIMONIALS OF ITS REAL VALUE n the treatment of this painful and obstinate disease, we are induced to present it to the public in a form READY FOR IMMEDIATE USE, which we hope will commend itself to those who are suffering with this afflicting complaint, and to the medical practitioner who may feel dis cosed to test the powers of this valuable remedy.

Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseasee of the body must invariably affect the mind. These Bitters for the cure'of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely ungurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are jonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit s parts, by equaliting the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. The great celebrity and increasing demand for this proparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior quality of the property of the selling and the selling sell guished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous missins is created, these bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced. There are hundreds of tadies and gantismou in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. h in his possession letters innumerable testifying to tabove facts, from persons of the highest respectability. Will effectually prevent the hair from turning gray un the latest period of life; and in cases where the bair has already changed its color the use of the Inviger.to will with certainty restores it to its original hue. A ring it a dark, glossy appearance. As a performe for the limit and a Hair Restorative it is particularly recomment in having an agreeable fragrance; and the great facilitie is afford in dressing the hair, which, when moist with the Ir vigora tor can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great innand for it by the ladles as a standard toilet article which—long ought to be without, as the price places it within the web

for it by the ladies as a standard tollet article which consought to be without, as the price places it within the rach of all, being ONLY TWENTY-FIVE CENTS per battle, to be had at all respectable druggists' and performers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the childrens' Hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any impurities that may have become connected with the scalp the removal of which is necessary both for the health of the child, and the future appearance of the Hair.

We are able to state that the Constitution Water has cured every case of Diabetes in which it has here given.

STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCCUS OR MILKY DISCHARGE AFTER URINATING. Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed.

DYSMENOBRHŒA, OR PAINFUL MENSTRUA-TION, AND IN MENORRHAGIA OR PROFUSE FLOWING, Both diseases arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be speedily cured by the Constitution ition, which will be speedily cured by the Constitution Water.

That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians cail Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate thom here. I speak more particularly of Cold Feet, Palpitation of the Hart, Impaired Memory, Wakefulness, Flashes of Heat, Languor Lassitude, and Dimness of Vision.

it has no equal in relieving the most distressing symptoms. Also, Headache, Heartburn, Acid Stomach, Vomiting Food. &c. Take a teaspoonful after dinner. The dose in all cases may be increased if desired, but should be done

PHYSICIANS have long since given up the use of buchu, cubebs, and juniper in the treatment of these diseases, and only use them for want of a better remedy. CONSTITUTION WATER has proved itself equal to the task that has devolved upon it. DIURETICS

irritate and dreuch the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease. READ! READ!! READ!!! Danville, Pa., June 2, 1862.

Dr. Wm. H. Gregg—Dear Sir: In February, 1861, I was sifflicted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fity pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly,

J. V. L. DE WITT.

WM. H. GREGG & CO.

Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womt, Dysmenorrhas, and Irritation of the Bisdder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine mouths, and while she was muder his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our utter actonishment, almost the first does seemed to have the desired effect, and sho kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any or the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

WM. M. VAN BENSCHOTEN.

DR. WM. II. GREGO:

Dear Sir: I have for several years, been afflicted with that troublesome and dangerons disease—Gravei—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may soe fit in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly, POND STRONG.

There is no class of diseases that produces such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the CONSTITUTION WATER to the public with the conviction that it has no equal it relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.
