DROPOSALS FOR LOAN .-- Agreesbly **HEBNTUCKY.** The patriotic men of this brave old State see, with perhaps more clearness of vision than any others in the country, the madness which controls the Washington Administration, and the ruin towards which it is conducting the country. The *Louisville Journal*, a paper against whose loyalty none but an Abolitionist slanderer will venture to easy a word, thus justly sums up a history of the be-trayal of the people by the party in power: The Republican party, with Mr. Lincoln at its head, has repudiated alike the Crittenden Resolu-tion, the Chicago platform, and the Constitution of the Union. It has made a clean sweep of all, its soleran engagements to the people. It has forworn itself and betrayed the nation. In order to get in-to power the Nepublican party pledged itself to maintain inviolate the constitutional rights of the States, and, in order to collect a mighty army, it re-PROPOSALS FOR LOAN--Agreesby to "An ordinance providing for the payment of Bounties to Volunteers," passed by the Select and Com-mon Councils of the Oily of Lancaster, on the 26th Inst., I will receive proposals for a loan to the Oily, of a sum nct acceeding \$144,000, until TUESDAY, the 5th day of APRIL, 1854, st 2 wickork, P. It is no wonder that the loyal men of Kentucky repudiate all connection with the party which has violated every pledge made to the people, and whose present object is manifestly no longer the preserva-tion of the Union, but solely the perpetuation of their own power. Kentucky will receive no mercy at the hands of the radicals hereafter, since the Union men resolve to send delegates to the Demo-oratic Convention. But the Democratic Convention is the only Union Convention to be held at the North this summer. The Baltimore Convention will not dare adopt a resolution in favor of the Constitution and Union. Its members will be pledged to dis-union an new government.—Journal of Com-suterce.

COMPOUND EXTRACT OF OUBEBS AND COPAIBA

This preparation is particularly recommended to the MEDICAL PROFESSION and the PUBLIC, as combining, in the moret convenient and efficacious form, the well-established virtues and properties of Cubebs and Copabla. For the speedy and effectual relief and cure of all SEXUAL DISKASES, it may justly be considered one of the greatest and most valuable discoveries in the annale of medicine, frequently effecting a cure in three or four days. In its preparation as an extract or a paste, the usual nauceous tarts is avoided, and it is, consequently, never found to interfore with the digestion, while, from its greater on-contration, the dose is much reduced. It may be relied on as the best mode for the administration of these remedies in the large class of diseases of both sores to which they are applicable.
