MISHLER-Sr : About Christmast, my youngest daughter, a girl of fifteen years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly halpless and suffering the greatest pain. I pro-cured the attendance of our medical men in the neighbor-hood, but, in spite of their best efforts, she grew daily worse and worse. She was so beliess that it was impossi-ble for her to sit up, eren when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see you, and from what you toll me. I concluded to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident my daughter will whortly be onitely recovered. aby affect the mind. The subseriours now only ask a trial of D E. J. BOVEE DODS' IMPERIAL WINE BITTERSI' from all who have not used them. We challenge the world to produce their equal. These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Euriching the Biod, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigor-ating the whole system from the head to the feet. As these Bitters are tonle and alterative in their character, so they strengthen and invigorate the whole system and give a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is re-quired to strengthen and faintness, should be without them, as they are restrying in their action. THSSE BITTERS WILL NOT ONLY CURE, BUT PRE-VENT DIREARS,) and in this respect are doubly valuable to the person who ms f use them, For INCIPIENT CONSUMPTION, Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Faralysis, Piles, and for all cases requir-ing a Tonic DE. DODS' CELEBRATED WINE BITTERS ARE UN-NEW YORK MEDICAL INSTITUTE. Nervous System, Paralysis, Piles, and for all cases requir-ing a Tonic DR. PODS' CELEBRATED WINE BITTERS ARE UN-SURPASSED! For Sore Threat, so common among the Clergy, they are truly valuable. For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public apeakers—for Book-Keepers, Tallors, Seamstresses, Students, Artists, and all persons leading sedentary life, they will prove truly beneficial. Studenis, Artists, and all persons leading a sedentary life, they will prove truly beneficial.
 As a Beverage, they are wholesome, innocent, and delicous to the tasts. They produce all the exhilarating effects of Brandy or Wine, without intoricating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wich to refrain from it. They are pure and entirely free from the poisons contained in the adultariated Wines and Liquors with which the country is flooded.
 These Bitters not only Oure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and tharmies, they may be given freely to Children and Infants with impunity.
 Physicians, Clergymen and temperauce advocates, as an act of humanity, should assist in epreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.
 IN ALL AFFECTIONS OF THE HEAD, SICK HRAD-ACHE, OR NERVOUS BHADACHE, DR DODS' IM-PERIAL WINE BITTERS WILL BE FOUND TO BE MOST BALUTARY AND EFFICACIOUS.
