CAPTURE OF FORT PILLOW.

On Tuesday morning, Forrest, with some 6000 men, attacked Fort Pillow. Soon after the attack Forrest sent a flag of truce demand ing the surrender of the fort and Garrison, in the meanwhile disposing his force so as to

gein an advantage. Major Booth, of the 13th Tennessee United Alabama Cavalry (colored), refused to receive resulted in the election of the Democratic city

the flag of truce, and fighting was resumed. Afterwards a second flag came in, which was also refused. Both flags gave the rebels the advantage of gaining new positions. The battle was kept up till 3 o'clock P. M.,

when Major Booth was killed, and Major Bradford took command. The rebels had come in swarms over our troops, compelling them to surrender.

Immediately upon the surrender there enued a scene which utterly baffles description. Up to that time comparatively few of our men were killed, but, but insatiate as fiends and blood-thirsty as devils incarnate, the Confedhv 50 erates commenced an indiscriminate butcherv of the whites and blacks, including those both colors who had been previously wounded. The dead and wounded negroes were piled in heaps and burned, and several citizens, who

joined our forces for protection, were killed or wounded. The black soldiers, becoming demoralized,

rushed to the rear, their white officers having thrown down their arms. Both white and black, were bayoneted, shot or sabred, and even dead bodies were horribly mutilated Children of seven or eight years of age, and several negro women, were killed in cold blood. Soldiers unable to speak, from their wounds, were shot dead, and their bodies

rolled down the banks into the river. Out of a garrison of 600 mea only 200 remained alive

Among our dead officers are Capt. Bradford, Lieuts. Barr, Ackerstrom, Wilson, Revel, and Major Booth, all of the 13th Tennessee Cavalry; Capt. Posten, Lieut. Lyon, of the 13th Tennessee, and Capt. Young, of the 23d Missouri, Acting Provost Marshal, were taken prisoners.

Major Bradford was also taken, but is said to have escaped. It is feared, however, The steamer Platte Valley came up about

o' clock She was hailed by the rebels ! under a flag of truce, and her men sent ashore to bury the dead and take aboard such of the wounded as the rebels had allowed to live Fifty seven were taken aboard, including seven or eight colored men. Eight of them died on the way up. The steamer arrived here this evening, and was immediately sent to the Mound City Hospital to discharge her suffering passengers. Among the wounded of the colored troops are Captain Porter, Lieut.

Libberts and Adjutant Lemming. Six guns were captured by the rebels and car-ried off, including two 10-pound Parrotts and two 12 pound howitzers A large amount of stores were destroyed and carried away. The intention of the rebels s emod to be to evac uate the place and move on rowards Memphis.

ANOTHER TORPENO DISASTER.

from the Jacksonville (F(a.) Peninsula, April 1.) About four o'clock this morning, the Reed's plantation, was blown up by a rebel torpedo, and immediately suck in about fifteen feet of water, nothing being visible but her upper deck and smoke stack.

At this place there is a bend in the river which is some three miles wide. Camp Fin egan is distant about five miles, and the rebel egan is usisant about nee miles, and the received widettes are supposed to patrol down to the striver back. The Maple Leaf left here night before last to convey a detachment of troops to active Agents, or give a commission. Particulars sent free. Address Brie Sewing Machine Company, R. SECOND DISPATCE.

F. S. Mills, the Democratic candidate for Mayor, was elected yesterday by 350 majority. The whole Democratic city ticket, and Com mon Council ticket is elected by an average majority of over 300.

From the True American of Tuesday.

After a most desperate effort on the part of the Republicans and the expenditure of vast sums of money, the Democracy has triumphed. Nothing could overcome the indomitable energy of the firm and true Democracy of the eity. A dead set was made in every part of the city against the Democratic candidate for Mayor, and some of the candidates for Chosen Freeholders; but the Democracy breasted up nobly, and carried the whole city ticket by an

average majority of about 400 !!! Yesterday threatened the voters with storm up to neon, but the clerk of the weather heing a Democrat, and liking the appearance of things very well, gave the north wind a wink and as quick as thought the clouds moved off and left the voters with a clear and pleasant day. It had a cheerful effect upon all, and the balance of the day was devoted very good humoredly to the election.

SPRINGFIELD, Ill., April 8 The Democracy have carried this county (Sangamon) by 300 majority, a gain of 400 votes. Pretty good for the home of Abe Lincoln. Last year the Abolitionists had 100
